**WELCOME** to Warwick Academy's Yearbook.

The expressions on our faces, the smile of a first year, the frown on a senior, all tell how we worked, played and lived through our years at Warwick Academy. For the first years we welcome you and to the fifth years fair well. So flip through the pages and recall memories, recall faces and recall life here. Once you have come to the last page, like memories, **PLAY IT AGAIN.**

**That man is a success who has lived well, laughed often and loved much.**

**Who has gained the respect of intelligent men and the love of children.**

**Who has filled his niche and accomplished his task.**

**Who leaves the world better than he found it.**

**Whether by an improved poppy, a perfect poem or a rescued soul.**

**Who never lacked appreciation of earth's beauty or failed to express it.**

**Who looked for the best in others, and gave the best he had.  
Robert Louis Stevenson**

# ACHIEVERS

Warwick Academy is blessed with a staff devoted to the upgrading of the education of the student body. Whether it be in class, sports or some other club or activity, the excellence of our school can be attributed to their dedication, patience, determination and hard work.

Most of our staff are sports enthusiasts who are hooked on various activities. Mr. Cross, for example, is a superb runner who also swims, and plays in the Island Softball league.

We all agree that Warwick Academy would not be the same without any of them.

# A DAY IN THE

## A Day in the life of Jamie Pedro, 4th year

Hullo, my name is Jamie Pedro. I was merely telling you my name in case you are an idiot and cannot read the title. I am in 4th year (in case you missed the title). Now I'm going to write about a day in my life (in case you missed the title).

As my alarm feebly rings, I spring from my bed in a joyous leap, in awesome anticipation of the day ahead. I dance into the kitchen and devour about 2,000,000,000 cubic micro calories of food. In layman's terms I eat breakfast.

At precisely 7:41 and 23 seconds every morning I meet up with my buddy Craig Ferguson to peddle to school on our unicycles. By the way I'm Jamie Pedro (in case you forgot).

In precisely 10 minutes and 53 seconds we arrive at school. Now, in case you can't add it is exactly 7:52 and 16 seconds. We park our unicycles and skip joyously to the front of the school.

After 47 minutes and 53 seconds of small talk or a casually engaged game of basketball we stroll nonchalantly to our respective classrooms where we have to sign in for the day. In a blur and flash the part of my day moved by and I was in first lesson.

Then we have 2 hours, 31 minutes and 56 seconds of teachers aimlessly instructing students who pay no attention at all. (myself, being a genius, don't have to worry about such petty things as lessons. In case you forgot my name's Jamie Pedro.) Now it is lunch time.

The students and myself enjoy a vigorous 44 minutes and 26 seconds of "play" time. We then return classrooms for 2 hours, 27 minutes and 46 seconds more of lessons. Then I skip gayly to my form class at 3:30, retrieve my homework. Then, if it's Tuesday or Thursday I would attend basketball practice, but today it is not, therefore, I meet Craig and we ride our unicycles home.

That is a day in my life. I'm Jamie Pedro (in case you forgot), and I'm a fourth year (in case you forgot), so this is Jamie Pedro, that's me signing off. Th ... Th ... That's all folks.

By the way that's me in the picture. Boy I look good!

## A Day in the life of Allison Rollins

You may be wondering why on earth I have been asked to do this, and quite frankly, so am I. Anyway here goes.

My day starts as I stumble across my disgusting, dirty room, trying not to awake my sleeping sister. As I flick on the lights, my eyes bulge because of the brightness of them.

After I have my reluctant bath (I hate bathing, but I do!!), I make my way back to my room to get dressed, which only takes 3 minutes at the most. As I make my way to the dining room, my sister and I exchange grunts resembling "good morning".

As 7:15 arrives I jump on my bike and travel to school. On my way I see many of my friends and we wave frantically at each other. My day brightens as I enter the school gates and see a familiar face. Many of you can guess who that is! Anyway, the petty talk continues as the rest of my friends arrive. We talk, laugh and fight all the time.

My face always seems to wear a smile since I know many people and try to speak to them all. Even when things don't go so well, I try to project the image of a happy person. What's the point of being grumpy and spoiling someone else's day! It doesn't make sense.

The day is all a rush between doing my duties as a prefect, getting to registration, bringing the register, doing unfinished work and putting up with some of the most miserable people on this earth. I'm quite busy.

I always seem to have a lot of important things to do and that's the reason why you may see me scampering all over the place. By the time I get home I'm so exhausted that I barely have time to get ready for the next day of school, get something to eat, do great amounts of homework and talk on the phone.

All in all my life is pretty boring. Everything seems to follow a routine but that's the way I get everything done.

# LIFE OF . . .

## A Day in the Life of me (Carlos Sequeros)

Hi, I'm here to tell you about one of the days of my life. Well it went like this . . . I woke up Monday morning at 6:30 a.m and went to the bathroom. Everything was normal. I took my shower, brushed my teeth, used the bathroom and got dressed for school. Everything was going swell. The bus stopped and I got off at school. I walked through the school gate and everybody I walked pass said 'Hello' as usual, and all the girls I passed said they loved me and I'm so handsome.

So then school started and I went to my form room for registration and as usual Mr. Howell said 'Good Morning, Sir.' After he took registration I went to assembly where I got my 16th merit badge for having the most merits in one week. Then I went to my first class, French where I got my test back from the previous day. I got my usual score of 100%. Then I handed in my homework, as usual. All the rest of my classes that morning went the same way.

At lunchtime Mr. Hollins brought me my pizza, as usual. Then I went outside where I sat down on the wall by the pool and all the girls were asking me to go out with them, but as usual I turned them down. Some of my followers included: Lori M, Rebecca M, Lisa P, Fiona R, Sonja B, Janine R, Anita M, Kelly N, Jennifer S, Carol M, Gail S, Robin S, Grainne B, Toni D, Allison R, Jennifer I, Elizabeth P, and so many more.

When lunch had finished I went inside and went to my afternoon classes. When classes were finished and 3:30 had come, I went to basketball where I had a big audience who had come to see me slam over Derek H., and dribble through Greg S's legs. I scored my usual fifty points and went to get changed. When I got to the changing room I opened the door to find lots of girls waiting for me. They pulled me in and . . .

Suddenly I woke up to find out that it was all a dream. I wish I had never woken up but since of what I had dreamt about was true, it wasn't all that bad.

Carlos Sequeros

## A DAY IN THE LIFE OF MOI (Meredith Head)

The 7 o'clock alarm flicks on, just as my dad creaks open my bedroom door. "I'm up," I mumble subconsciously, but he and Domino (the dog) have already tripped over, some shoes, and flicked on the light. "Rise and shine" he chirps, but at 7 am on an icy February morning, the last thing on my mind is sharing in his terminal case of morning cheeriness. I finally decide to crawl out of my electrically heated haven when Domino squashes my internal organs with his paw, and slurps my face with his rough sandpaper tongue. YUK! I shuffle zombie-style to my parent's bed, and watch as Faith Daniels reports the world's latest disasters.

By 7.30 I'm ready to indulge in some nutritious bird seed cereal, and get ready for school. The text books carelessly scattered across my desk usher unpleasant reminders of homeworks, and tests to mind. I shovel them into my bag along with various hockey equipment, and my dad watches in playful disbelief. "Why do you always have to lug a suitcase with you everywhere you go?" I smile sweetly, and reply "I need all this stuff dad, see you at around 7.30"

It's cold and windy on the bike, and the grey clouds suggest the possibility of rain. It's 8.32 by the time I arrive in the prefect's room and Kathy is throwing me threatening glances 'cause I'm late for day duty. I stroll down to the entrance hall, and receive the usual scowls from uncooperative students. "I know it's inconvenient for you to remove your jacket at this present point in time, but you've gotta' do it, SO DO IT NOW!!!"

I have a free 1st lesson. Ahh, I can relax and organize myself. No such luck. Elizabeth, and Lucy have discovered new loves over the weekend, Gloria and Lara are exchanging some earth shattering gossip, Suzanne is furiously scribbling away at her english essay (due next lesson) and Phillip and Paulo have some brilliantly creative reason why they simply HAVE to play hand ball inside.

Double IT ends up in a debate about the state of South Africa, and the latest tragedies on the Young and the Restless. "Arnold, if I hear you attempt Eine Kleine one more time, I'll strangle you with my bare hands!"

Lunch finally arrives, and the usual topic of diets and excess bodyweight arises. It's sunny and warm now, and Renee, Kathy and I take day duty as a welcome excuse to sunbathe and discuss recent personal catastrophes on the field.

Mr. Smith decides that we aren't doing enough work in class, and separates our little clan. We all smile 'cause we know he'll never be able to keep a straight face, and any attempt to do work right now will result in laughter. It's really funny - by the time you think you know all the teacher's quirks and personalities, it's time to move on to a new place.

Mr. Chemistry sighs in bewilderment when Renee and my soap experiment bubbles over on to our desks, and he begs us all to leave quickly when the bell rings.

Oh well, school is over - now to the computer lab. "Oh God! Why is the screen flashing!!! - STEVEN!!!" I collect my printouts, and high-tail out of there. Slinging my hockey stick over my shoulder (gradually becoming a permanent attachment) and head out to National Sports Club. I joke around with some Saltus rugby players, and Cat and I depart to jog a few laps.

When I finally get home and showered, I share the day's experiences with my parents and make my way through an obstacle course of mother's paintings and easels to the living room. The "STING" C.D. is emitting a soothing mello tune, and I cool out and write a letter to my "other half" (the Britt) in Boston. Another day is over. I survived - just barely - but I wouldn't have it any other way. Thanks friends.

Philip

Computer Club, Chess, Tennis, Rugby, Badminton,  
Weight Training and Sailing.  
Senior Prefect.  
Plans to go to college or University, graduate then  
become a fighter pilot or a lawyer or maybe something  
else.  
"Keep your hate within bounds and bounds within rea-  
sons, otherwise you will become what you hate, and then  
will hate what you become."

Katherine Renee Benjamin, 5 Music, Robertson.  
Band, Orchestra, Cookery, Prom Committee, Fair,  
Hockey, Tennis, Cross Country and Track & Field.  
Junior and Senior Prefect, Vice House Captain and  
Form Captain.  
Plans to finalise studies in England and remain there as  
a Fashion Editor of a top-rate magazine.  
"We, the willing led by the unknown are doing the  
impossible for the ungrateful, we have done so much for  
so long that we are now qualified to do anything with  
nothing."

Plans to be an Optomotrist or Physical Therapist.  
"When you feel bad, smile or else cry and you cry alone,  
laugh and the world will laugh with you."

Meredith Head, 5 Music, Robertson  
Debating, Play, Cookery, Fair, Orchestra, Woodwork,  
Hockey, Gymnastics, Swim Team, Cross Country, Ten-  
nis and Track & Field.  
Junior and Senior Prefect, and Vice House Captain.  
Plans to attend a sixth form in England and then attend  
University.  
"Thank God for weekends!!"

Andrew S. Hill, 5 North, Rhodes.  
Rugby, Volleyball, Waterpolo, Soccer, Hockey, Bad-  
minton and Swim Team.  
Form Captain and Vice House Captain.  
"Your future lies in your hands so make it worthwhile  
and don't be a fool."

Steven J. Robinson, 5 North, Patton.  
Fair, Computer Club, Chess, Weight Training, Comput-  
er Lab Assistant and Newspaper.  
Plans to set "A" Levels and return to Scotland to do a  
three year University course in computer science.  
"Life is what you make it, Enjoy yours to the fullest, I  
plan to, so have fun."

Edith Fatima Botelho, 5 East, Patton.  
Debating, Prom Committee, Fair, Food and Nutrition,  
Netball, Softball and Basketball.  
Plans to attend college for 2-5 years, maybe go on to  
University to become an accountant.  
"I don't know where I'm going but I'm on my way. Bye!"

Tamiko Black, 5 Music, Morgan.  
Art, Cookery, Debating, Choir, Concert Band, Bible,  
Fair, Prom Committee, Netball, Basketball.  
Plans to further education at the Bermuda College ma-  
joring in tourism and travel.  
"If it weren't for the LAST MINUTE nothing would  
get done!"

**Sarah Mae Jordan, 5 East, Rhodes.**

**Football, Volleyball, Badminton, Waterpolo, Swimming**  
**and Hockey.**  
**Plans to attend University in Canada.**  
**"You can't use your friends and have them too."**

**Luke Powell, 5 South, Morgan.**  
**Chess, Fair, School Play, Woodwork, Waterpolo, Swim**  
**and Badminton.**  
**Plans to go to Maui to be a professional boardsailor.**  
**"Although declared medically brain-dead, I am avail-**  
**able for intellectual conversation with any ATTRAC-**  
**TIVE girl willing. (tel. 7-0166)"**

**David Lambert, 5 East, Robertson.**  
**Debating, Woodwork, Fair, Swim Team and Track &**  
**Field.**  
**Form Captain.**  
**Plans to attend Bermuda College then go to college in**  
**England and major in aeronautics.**  
**"Never take school seriously, you could die from the**  
**stress."**

Kathy DeCouto, 5 East, Morgan.  
Gymnastics, Basketball, Dance, Hockey, Swim Team  
and Waterpolo.  
Plans to be a drama teacher.

Susan Rickards, 5 East, Patton.  
Winter Volleyball (Pina), Police Cadets, Hockey and  
Volleyball.  
Plans to attend college in Canada to become a P.E.  
teacher.  
"A heart is not a play thing, a heart is not a toy, if you  
want a broken heart, give it to a boy."

Algene Shamona Mary Maybury, 5 North, Patton.  
Woodwork, Science, Fair and Lab Assistant.  
Plans to become a nursery school teacher.  
"This is your life to do something with, don't be too  
scared to compete."

Johnette Brenda DeShields, 5 North, Rhodes.  
Fair, Woodwork, Debating, Netball, Track & Field.  
Hopes to attend school abroad.  
"Where there is a will, there is a way, so follow the way,  
and you will achieve the will you have always desired."

Tracey Toinette Johnson, 5 North, Morgan.  
Debating, Art, Oil Painting, Sick Room, Netball, Hock-  
ey and Track & Field.  
Plans to further education in college.  
"Be the best at whatever you do."

5th years during clean up day.

Take your pick

# A DIFFERENT LIFE

## My Life in Equador

I live in Riobrombo city, which is a small city but it is very up to date in many different ways. We also have industries.

In my family there is my sister, who is married and hopes for a baby. I also have a brother who is studying in University. My mother likes to cook and my father works in the east of my country, for Texaco. He supervises the machinery. I am the youngest in my family and I am eighteen years old and have grades in Physics and Mathematics.

When I was a student I went to school early in the morning at about 7:00 a.m and left at 1:30 in the afternoon. I had many activities in the afternoon. I went to a Modelling Academy, did my homework or met with my friend. Sometimes I called them on the phone.

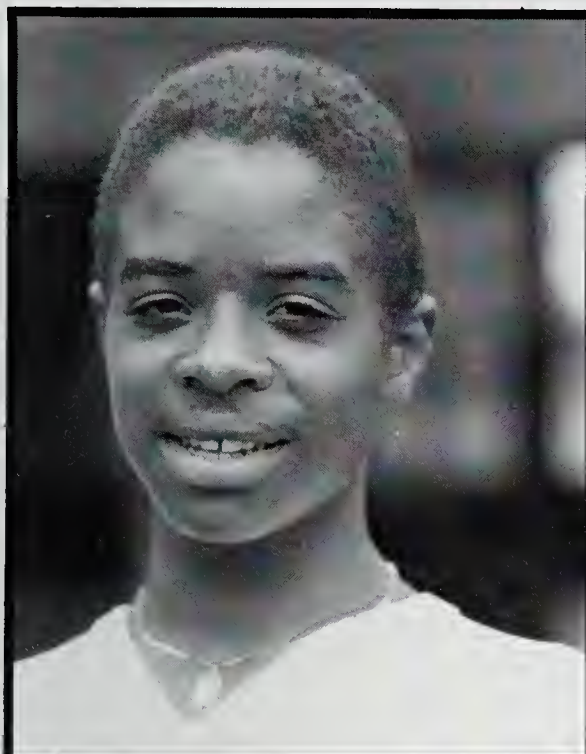

Last year I was elected Queen of the Army. It was a great experience that I will never forget. I have participated in many fashion shows with important people. I like to paint and have drawn a few pictures. When I applied for a scholarship I was positioned here. I am very happy because I am learning so many things and have gotten to know lovely people. Your customs are great and learning how your country developed is interesting.

"Life Opens Many Doors!"

## BELEN CALERO

Jeffrey Tyrell, 5 East, Patton.  
Debating, Cricket, Tennis Swimming, Football, Track  
& Field and Badminton.  
Form Captain and House Captain.  
Plans to go to school in England.  
"A temptation is like a bum, treat him nice, and he will  
return-with his ace boys."

Mira Alana Ingemann, 5 South, Robertson.  
Debating, Fair, Choir, Art, Declamation Contest, Sick  
Room, Volleyball and Gymnastics.  
Plans to attend Saltus Senior Year and then go on to  
college in the U.S. to study Business Administration  
and/or Psychology.  
"Just when my day has success written all over it ...  
someone comes along with an eraser."

Antoinette Janet Daniels (Toni), 5 North, Morgan.  
Declamation, Debating, Science, Fair.  
Cross-Country, Volleyball and Softball.  
Junior and Senior Prefect, House Vice-Captain.  
"Everything in life that is exciting is either illegal,  
immoral, or fattening."

Lisa Silva, 5 North, Patton.  
Debating, Fair, Prom Committee, Netball and Hockey.  
Plans to attend Dalhousie University.

James Justin Smith, 5 North, Morgan.  
Art, Play, Sailing.  
Crosscountry, Badminton.  
Plans??

Jay J. Michael Simons, 5 East, Patton.  
Fair, Int. Soccer.

# A DAY IN THE

Mr. Chandler

## A Day In The Life Of Mr. Chandler

My days begin early, very early usually around 4:00am. That's when I'm most creative, corny jokes. Someone in the 5th year said my jokes are worse than Mr. Buchmann's. Now there's a compliment. Actually, I get all mine from Riddles Bay! Where else? Don't tell anyone lower down in the school but I'm guilty of recycling jokes. It's awful when someone who is repeating a year tells the punchline first.

Next is breakfast. Believe me, inmates at Alcatraz are easier to please than my two little girls (5 and 3 yrs). In summer we eat on the lawn. This convenient, as hosing them down afterwards cleans them for the day and feeds the birds. In winter, we try to get the birds off the lawn and eat in the bath tub.

You may have noticed I dress funny. I wear my brightest colours in winter. This is by accident rather than design. That reminds me, I must change the light bulbs in the closet this winter. The only items I take care to select are my shoes and ties-no comments necessary, thank you. My wardrobe expanded last Christmas when someone gave me a pair of shorts big enough for a giant. Weeks later I found out they were a pair of long trousers. Another useless gift.

Traveling to school is easy on my 'dream racer'-if it starts. After 500 kicks it starts, no problem. If it rains then I have a problem. People marvel and ask how I keep in shape. If they'd seen me in the rain they'd know! Wearing my orange rain suit one day on Harbour Road three sailing boats wanted to know if I was the windward marker. Cheeky. So much for safety colours. most of you think that's a child seat on the back of my bike. You're wrong. It's a special draughting device for speed reversing.

Reading assembly announcements is the highlight of my day. You think I don't read them first. But I do, those bumbling, stumbling mistakes are well rehearsed. The Staff accuse me of summarising their announcements. I do this so we can get to classes

quicker. I remember in the quad one day, that you were so enthralled by these announcements, you sat in the rain until the ink on my papers ran. Only then did I realise and we all moved under cover.

Teaching is my profession. I wanted to be a surgeon but I've saved thousands of lives already. How? I flunked med school. Only kidding. The hardest thing about teaching are the seats. Surely, someone can design a comfortable school chair. Don't you agree? I suppose it all goes along with the torture the students have to endure. I mean, do you remember those diagrams you had to draw in 3rd year Geography? Two subjects to teach and many other interests means I have to be well organized. But you know that already by looking at my desk. There, the 80-20 rule can be seen. 20% of materials I need are on the desk all the time. The other 80% is busy getting lost, usually under the 20%.

At lunch I find out what calendar day it is. You know cold cuts on Mondays, Tuna Fish on Tuesday etc. Back to classes for the afternoon where my pet rock, George might entertain students of Geology. Everyone should have a pet rock. Many are on the landscape available for adoption. And those of you who have lost your rocks ... never mind.

After school, I like to mark work, mark tests, prepare lessons, tidy the classroom, coach volleyball, take stockroom inventory, attend staff meetings or administrative meetings, prepare handouts and other relaxing details before going home.

Evenings are taken up with further relaxation, dinner preparation, bathing children, fixing broken toys, finding the lost slipper, giving camel rides, reading bedtime stories, washing dishes, cleaning the house and all sorts of menial tasks. A man's work is never done! Before going to sleep I usually practice the school song. Let's face it, you don't know what 'Gaudeamus igitur' means either. And so ends another day. 'Gaudeamus igitur, gaudeamus igitur.'

Robert Chandler

# LIFE OF . . .

## THE HEADMASTER

I was asked to describe a typical day in the life of the Headmaster of Warwick Academy. After some thought I realized that this was an impossible task because no day is typical. Unlike the classroom teacher for whom the timetable creates a framework for the regular structuring of each day, the headmaster's schedule is unpredictable, the only constant being the morning assembly.

For the above reasons, I have decided to decline the offer. Instead, I will indicate some aspects of the position I have enjoyed.

Firstly, I must say that I have enjoyed the experience of Acting Headmaster, even with R.A.D.A. training. Although sitting at a desk answering correspondence is very low down in my list of preferred activities, the numerous and diverse interruptions of this task have made it palatable. Contrary to my anticipation, I have enjoyed many of the meetings I have been required to attend. The opportunity for expressing my views in a different and high powered forum, although frustrating at times, is so much more acceptable than creating structure on the basis of decisions made without one's input.

Although the operation of the school has been affected by unusual events, Emily and the subsequent loss of power, bomb scares during GCE exams and the tripping of our newly renovated alarm system, it

has been an enjoyable and productive year. This would not have been so in my novel role without the full support of the teaching and office staff. In this

regard, I have been most fortunate and cannot thank them enough.

Similarly, this year's prefects have greatly contributed to the smooth operation of the school. In fact all fifth year pupils have been helpful, pleasant and, in most cases hardworking. I am sure that episodes from the Xmas Revue will be remembered with nostalgia at future reunions of the class of 88.

In common with the members of this year's fifth form, the 1987-88 school year will be a special one in my memory and I am grateful to all who have made it memorable.

### Just To Say ...

Thanks for helping me out,  
Thanks for being a friend when I needed you  
most.  
Thanks for not turning me down.  
You don't know how much this means to me,  
To know that you cared enough to get  
me out of a situation like that.  
You may think that it was no big  
thing for you to do,  
But to me it meant alot!

And because of you, I was able to  
come close to solving my problem.  
I guess that little word really  
slipped my mind,  
That little word that would convince  
my appreciation to you;

**"THANKS"**

Mr. Wordes amid the destruction

# EMILY

'87

After Hurricane Emily bulldozed its way across Bermuda, the school was left looking like a war zone. However, the school was let off lightly compared to other establishments which lost complete buildings. Luckily, no one in Bermuda lost their life during the tempest.

On the Friday morning that Emily hit, the schools were already closed. A news bulletin had warned all pupils to stay at home that morning. The Academy lost some trees, but it was the downed electricity lines which were to cause the most inconvenience. The school was notified on the following Monday that all senior pupils were needed for clean-up operations. More than 100 students responded to this request and arrived on Tuesday morning ready for some hard physical work. They had to move mounds of fallen branches and trees. Mr. Craik and Mr. Wilson manned the chainsaws and Mr. Kirk organized several students with saws and machetes. The students were divided up into several small groups and began work. These small groups quickly tackled the debris and the Regiment was informed that the branches and trees were ready for collection. By mid-morning the school was well on its way to looking its old self. Later in the year the Adventure Training Club helped the Regiment to clear away more debris on National Clean Up Day. Mr. Howell divided his group into squads with various tasks being assigned to them. Finally some parents arrived on a Saturday morning to complete the school and everyone is to be congratulated on a great effort.

# HER

I knew from the first time I layed my eyes on you that what was meant to be would be. We both knew that the road across the rainbow to the pot of gold was far from easy, but like any thing in life, it doesn't come to you without sweat and tears. You have to go after your dreams and I did. As you know, that February 14th is the big one this year. It's been the best year of my life, here at Warwick Academy with you. You have been responsible for making my happy times happy, and cheering me up when I felt sorrow. When one of us felt grief the other was close by offering a helping hand and a shoulder to lean on. Remember, nothing can stand in our way now except for each other. Hold on to our happy moments and learn from our sad ones.

-Jess

# HIM

When I say I love you, it means I really care. You make me feel special. Did you know that when I said I needed a friend I meant that I wanted someone like you? Someone who listens to me, understands me, shares my joys, triumphs and frustrations. You have become that person, you are my friend, my life, my companion, my love.

Mr. Buchmann receiving bad news!

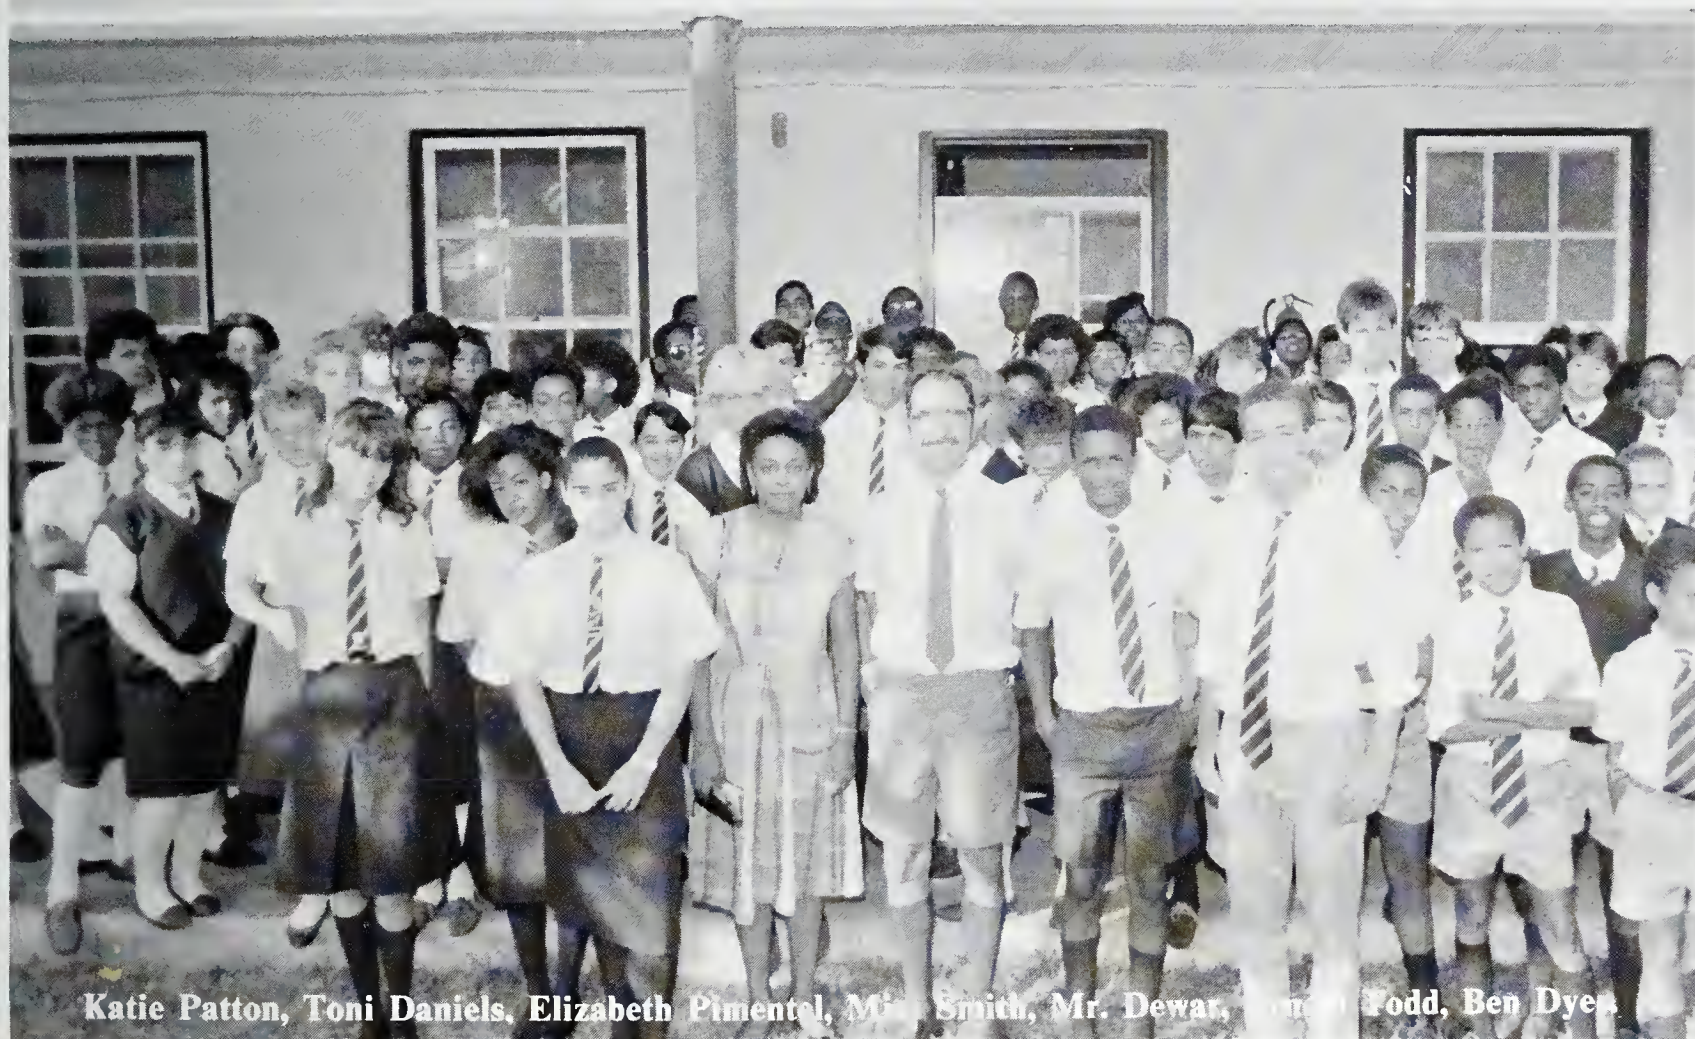

Mr. Buchmann at work!

### Robertson House

At the time of writing Robertson House has a slight overall lead. The competition has intensified this academic year with strong challenges coming from Patton and Rhodes. We did well in the swimming tournament, placing first and occupied second position in the cross-country held on the same day. However, we subsequently did badly in the Soccer and Netball competitions. We hope to do better in the remaining interhouse sports activities. Of course, we cannot be certain of maintaining our lead but, as usual our students are trying hard and we are particularly pleased with the competitive spirit of our first year boys and girls.

Bela Buchman  
Moraj Lombios

Katie Patton, Toni Daniels, Elizabeth Pimentel, Miss Smith, Mr. Dewar, Mr. Fodd, Ben Dye.

### Morgan House Report

Morgan House stands, numerically, at 111 comprising 70 girls and 41 boys.

We cannot as yet be said to have set the heather on fire, though we have a burning desire to succeed. Our lowly position cannot be attributed to lack of quality, for we know we are good: we just do not seem to have the capacity to persuade others of our talents and our inalienable right to be top of the heap. They always seem to demonstrate a strangely unsportsmanlike penchant for beating us.

However, all is not lost: we have the edge over the other three Houses in our incontrovertible assurance that we can go no way but up: so, look out, PLEBS, we are on our way ...

Our considerable successes this session have been due to a reasonably all-persuasive House Spirit (though drones do still exist), the hard work of office bearers and year Committees, and the enthusiasm and all our efforts of those who competed.

Mr. Dewar at work.

Crystal singing at assembly.

Michelle, Shannon Sanders, Miss Coakley, Mr. Cross, Andrew Dyer, Dennis

Photogenic Mr. Cross.

Rhodes House

### Rhodes House

Rhodes House, led by Miss Coakley and Mr. Cross are going through something of a rejuvenation at the moment. They got off to a slow start, remaining in 3rd place for most of the Xmas term. Since then they have made their "move" by passing Patton and now threatening Roberston for the overall lead. Rhodes are hoping that the surge continues and the house hopping will go on. Participation and support has been good this year particularly from the 5th years. The 5th years have had to double up in some events because of a lack of numbers. All in all it has been a good year for Rhodes and their captains, Tammy Richardson and Andrew Dyer.

Andrew Dyer, Mrs. J. Slaughter, Jeffrey Tyrrel, Mr. D. Hollins and Gloria Fogden

#### Patton House

Housemaster: David Hollins  
Housemistress: Mrs. Janet Slaughter  
Captains: Jill Terceira and Jeffrey Tyrrel  
Vice-House Captains: Gloria Fogden and Coleridge Lowe

Patton immediately got itself noticed this year, when over 120 "patented" Patton T-shirts were proudly revealed for the Inter-house cross-country races and the swimming gala. Green and White seemed to be everywhere. The decline in moral over the previous year disappeared instantly, it seemed, by having our new special identity. Everyone wanted to be involved. The T-shirts were so popular that even a member of Robertson bought one from Mr. Hollins.

Patton has been a happy House this year, particularly as we've had a taste of being Inter-house leaders for a couple of weeks and have had success in several sports such as cross-country, soccer, netball and hockey.

Amanda Smith, Claire Mancell and Kirsten Butterworth have done a fine job collecting merits, whilst Greg Todd has exhibited leadership qualities on Sports Days beyond his years.

The House is now a force to be reckoned with once again.

Patton Spirit

Patton House winning sports day

# House competition is keen again

Coach Craik

Mr. Howell, Coach Wilson & Mrs. Ryan

## Interhouse Sports Days of 1987/88.

Something of a house resurgence has taken place this year particularly in sports. Rhodes and Morgan, under new leadership have been challenging Robertson's traditional habit of placing first. Throughout the year Robertson has had to constantly check its rearview mirror to establish who was approaching in the fast lane. Surprisingly Patton slipped easily into this fast lane and with Mr. Hollins and Mrs. Slaughter at the wheel, they overtook Robertson in the Xmas term. We will see whether this acceleration is a sign of better things to come, or the last gasp of a machine in which someone simply inadvertently stepped on the correct pedal for just an instant.

In the second term Rhodes discovered the whereabouts of its turbocharger and moved up alongside Patton in the race for the shield. Robertson responded to this challenge with a quick injection of merits and Mr. Buchmann has regained his winning smile.

In Cross-Country Patton ran away as winners closely followed by Robertson. The Tug-of-War saw the re-emergence of Robertson domination and the Swimming competition simply confirmed what we all knew-Robertson were still the tops in the water.

Morgan won the tennis competition in November. Morgan and Patton shared first place in soccer and Patton and Rhodes also shared first place in netball.

In cold February Rhodes won the basketball and volleyball and Patton won the hockey competitions.

# SWIMMING SWIMMING SWIMMING

## Swimming

The swimming team was led by Coach Glen Wilson this year. He had a very keen and enthusiastic bunch of students to follow his aquatic commands.

The Island-wide Championships were held at Saltus in November, 1988. The temperature of the pool was about 70 degrees. The Warwick girls won the overall championship closely followed by BHS. Outstanding performances were recorded by Jenny Smatt in 50 breaststroke and 100 IM. There were several records broken during the Meet and Jenny was responsible for a few of them. Angela Hayward performed well in the butterfly and Kristina Williams also did well in the butterfly. Lisa Petty did very well in backstroke and our relay team was phenomenal.

The boys placed second behind Saltus, by the closest ever margin. Outstanding performances were recorded by Brian Swan in breaststroke and Andrew Skinner in freestyle. James Morrison did well in breaststroke and our relay team was victorious. The boys just lost the freestyle relay by a hands length. Jason Hansford-Smith was outstanding in the sprints and the only Reason we lost in the boys was because we did not have enough depth. All the events were very close.

Next year the team will only be depleted by a few students so our team will be much stronger. This is the fifth consecutive victory for the girls and it was the closest that our boys ever came to winning this event.

# NOT A VINTAGE YEAR BUT SPIRIT AND

## Intermediate Soccer Team

### The Intermediate Soccer Team.

Mr. Smith reports that he had a young team this year. Even so, they were able to compete well in most games. Their best performances were against Sandys in the Cup and against Warwick Secondary, who were runners-up in the league. In both games they only lost by the odd goal. In both of these games the team showed tremendous character and spirit.

The Intermediates looked very smart in their brand new soccer shirts which were donated by Adderly Travel. Greg Todd was captain and Gerald Simons was top goal scorer with 4 goals.

Team meeting

Attack by the opposition

### League Results:

Warwick Academy	2	v	Whitney	7
Warwick Academy	2	v	Saltus	2
Warwick Academy	3	v	Dev. Ac.	2
Warwick Academy	4	v	M.S.A.	0
Warwick Academy		v	Sandys	
			(lost by large score)	
Warwick Academy	0	v	St. Geo.	1
Warwick Academy	2	v	War. Sec.	3

### Cup:

Warwick	0	v	Sandys	1
---------	---	---	--------	---

The record of the team was 6 wins, 2 draws and 6 defeats. This includes the matches played in the Shelly Bay competition. The Intermediates were defeated by St. Georges who were later disqualified, having won the competition.

Warwick Academy	2	v	Saltus	0
Warwick Academy	0	v	Whitney Inst.	4

Gred Todd

With the absence of Mr. Jones for a year the Senior Soccer players were coached by Mr. Monroe. The season began on a high note with a superb performance by the team at the Knock-Out Competition at Shelly Bay in October, 1987. The team won their way through the preliminary rounds with good victories over Warwick Sec. and St. George's. After defeating Sandys in the semi-finals the team met Warwick Secondary in the final. Played in a torrential downpour the same ended in a draw and Warwick Secondary won on penalties. The boys were disappointed but were not downhearted.

In league play the team scored a fine victory over a strong Saltus side before losing to Whitney Institute. After the Whitney game Mr. Monroe found it increasingly difficult to attract eleven players or more to practices. Warned that games would not continue if the team members were not consistently at practice, the game against Whitney proved to be the final game. The senior boys could not gather eleven players at practice for the rest of the season and so no more league games were played. This was a pity as we had a very skillful and aggressive team. Boys who earned extra-curricular credit based on their attendance record were Derek Hurdle, Loren Lee, Dennis Pimentel, Richmond Simmons, Gladwin Daniels and Arnold Todd. The following players were asked to attend All-Star practices-Derek Hurdle, Dennis Pimentel, Arnold Todd, Loren Lee and Richmond Simmons.

Gladwin Daniels

#### Girls Basketball.

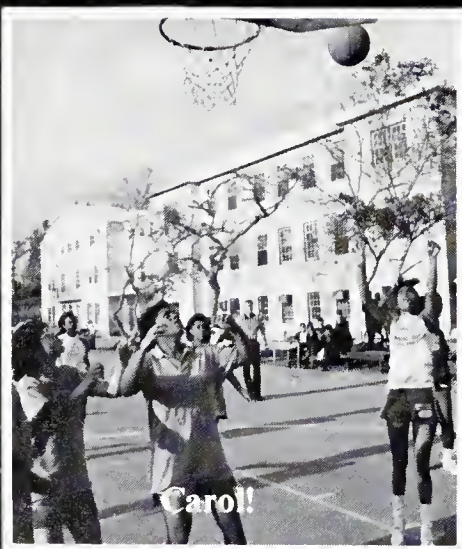

Our Senior Girls began with the Roger B. Chaffee Tournament. They placed quite well considering the few hours as yet spent at practice. They were placed third. They lost to MSA and Chaffee but defeated Whitney by a score of 37-15. Two members of the team were selected as MVP's. They were Carmen Deshields and Tanya Semos. Carmen and Tanya were co-captains and both scored the highest number of points. They were ably supported by Carol-Ann Williams, Michelle Caisey, Natasha Richardson, Jennifer Eve, Jillian Summers, Rosemary Seymour, Jessica Patton, Kathy Decouto and Denise Harris.

The remainder of the season was also successful for our girls. They were second in the league, tying with Chaffee. The team allowed their true competitive and fair spirit to guide their play and they were a credit to the school. In the league they defeated Chaffee and Whitney twice. They lost to Chaffee and MSA to finish with a record of 3 wins and 3 losses.

At the BSSF tournament they lost an exciting and close semi-final game to Chaffee by a score of 33-32. The starting five from this team will be playing in the All-Star selection in March. They are Carmen, Carol, Michelle, Natasha and Tanya. Denise will also be playing. Crystal Simmons did a great job in keeping the score book and Mrs. Ryan, once again, did a superb job as coach.

Our Junior girls were coached by Miss Adderley and they had a glorious season. In the league they had a record of three wins and only one loss. They defeated Chaffee in a very close game by one point and they also defeated MSA. They lost their one game to MSA by a score of 19-28. In the BSSF Island-wide Tournament they defeated Chaffee and MSA twice to take the title. This was a great season for our girls. The team was Carla Zuill, Jessica Burgess, Lauritta Burrows, Tereza Perozzi, Berchelle Richardson, Jenny Smatt, Lisa Petty, Tracey Hurrell, Erica Isaac, Sarah Trott, Keil Mello, Tomeka Talhot, Belinda Barbieri, Rebecca Martin, Anastasia Smith, Shareika Dent and Jenny Goslins. Well done Miss Adderley and her girls.

OOPS!

## GIRLS BASKETBALL

## Boys Basketball Juniors.

Our juniors were coached by Mr. Wilson and they finished the season with 5 good wins and 3 losses. They placed 4th in the Island-Wide Tournament after superlative performance. All losses, including the tournament were very close, within 10 points. The high scorers were Carlos Sequeros, Timmy Figuerido, Daniel Morgan and Kevin Melo. Students selected for the All-Star game were Carlos, Daniel, Kevin and Joshua McGovern.

The Senior team was coached by Mr. Craik. They had a superb season. They were placed second in the league after losing to MSA, Devonshire Academy and Chaffee. Warwick defeated Northlands, Saltus, Sandys, St. George's, War. Sec. and Whitney. The big success came in March at the BSSF Island-wide tournament at MSA. Warwick defeated Sandys by one point in overtime and Whitney to reach the finals. The final game was against MSA. The team was behind by 17 points in the second quarter. They were behind by 10 points at the half, 37-27. Warwick scored 21 points in the third quarter and went ahead with one minute to go in the fourth quarter. The final score was Warwick 62 and MSA 60. Three players were chosen for the All-Star game- Derek Hurdle, Greg Soares and Abayomi Carmichael.

Senior Boys basketball, front row, l-r, Mr. Craik, Mark Morris, Jason Kime, Jamie Pedro, William Dever, Michael DeConto and Denon Williams. Back row, l-r, Craig Ferguson, Jason Mansford, Smith, Greg Soares, Andrew Skinner, Marc Kopper, Abayomi Carmichael and Derek Hurdle.

Junior Boys basketball, front row, Mr. Wilson, Joshua McGovern, Jeremy Johnson, Daniel Morgan, Colin James, Anthony Wedderburn, Kevin Melo, Carlos Sequeros and Mustafa Abbas. Back row, Mr. Aaron Gill, Roger Smith, Ian Pedro, Wayne Muscat, Jason Lesieur, Omar, Jonathan Saunders and Corey Cross.

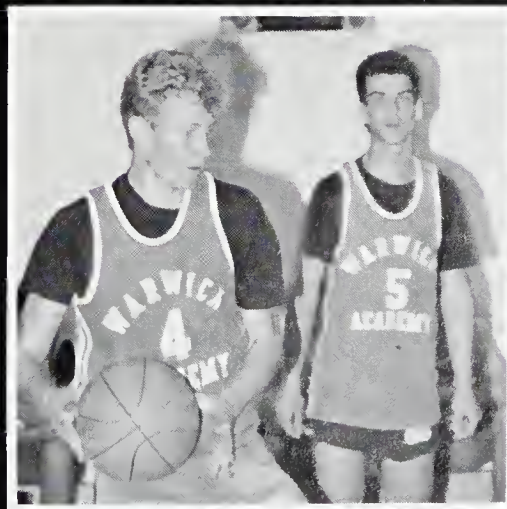

Coach Craik.

# RUGBY

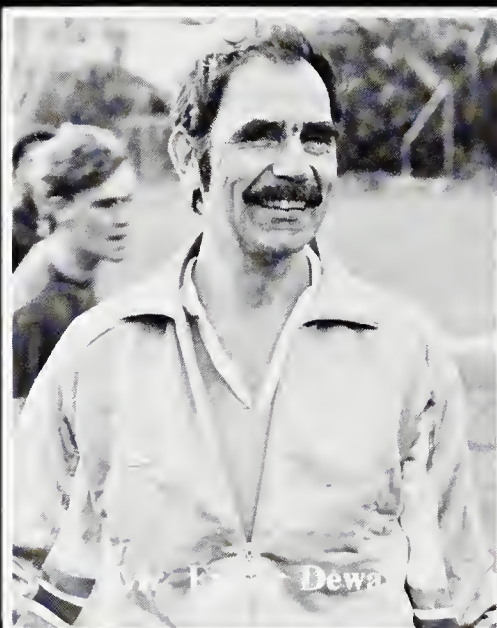

## Rugby

Mr. Carbone had a new assistant this year. It was Mr. Dewar, our new Latin teacher from Scotland. Together they moulded a Senior 15 and a younger side to compete in the Whitney 7's. They had a fairly successful season with 6 wins, 3 draws and 7 losses. This team practiced hard throughout the season and many a night they were seen returning from the lower field covered in mud. They were an enthusiastic team who relished the 'contact' which is the essence of the

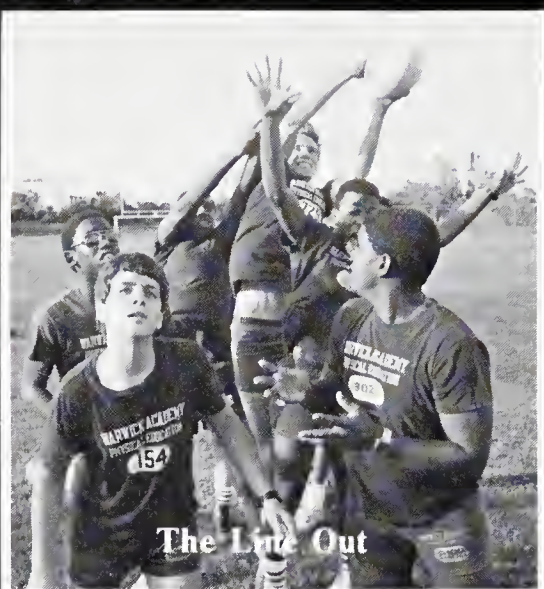

sport. The team members were Nelson Oliveira, Gebre Smith, David Bourne, Chris Darrell, Sean Patterson, Randolph Simons, Damon Tacklyn, Raymond Walker, Michael Payne, Shane O'Halloran, Jason Robinson, Dexter Easton, Gerald Simons, Carlos Lopes, Paul Telford, Jason Dennis, Manny Faria, Simon Gorton, Seitu Ford, Brian Swan, Andrew Patterson, Zayne Seymour, Paul Rodrigues, Michael Daniel, David Paynter, Andrew Rossiter, James Morrison, Loren Lee, Kevin Outerbridge, Anthony Cupidore, Chris Williamson, Brent Hagerman, Kent Hayward, Denton Williams and Derek Hurdle.

Mr. Nick Carbone

The Front Row

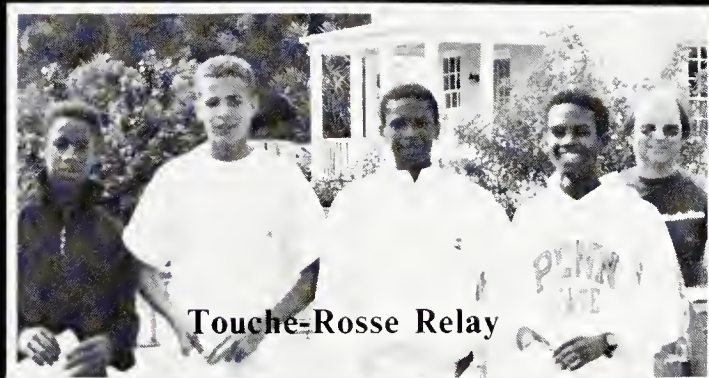

## CROSS-COUNTRY

### Cross-Country.

Again Mr. Cross led his boys to great performances at the annual Inter-Schools tournament held on 9th February. They practiced through the xmas term as well as preparing as best they could during the opening of the Easter term. In his final season as coach Mr. Cross again completed a wonderful job considering he had to compete against basketball. In the Over 15 category Warwick Academy placed first with 68 points followed by Whitney and Berkeley. In the Under 15 category our boys placed 5th behind Warwick Sec., Berkeley, Saltus and Sandys. Superb performances were turned in by Ben Dyer who placed 4th, Giadwin Daniels 5th, Arnold Todd 6th, Roser Todd 8th, Craig Ferguson 10th, Carlos Sequeros 15th and Anthony Wedderburn 17th. Sadly only Roger Todd will receive extra-curricular credit for his efforts. The other boys did not make the necessary 70%. Again, well done to Mr. Cross and his team and a fond adieu.

Our girls were coached by Mr. Wilson. In the Junior division Amanda Smith was placed third and Natalie Rushe came in just behind her in 4th place. Overall, our girls were placed 4th in this division. In the Intermediate division our girls were placed 3rd. Jenny Smatt had the best run for 5th place and the other members of the team were Carla Zuill, Anastasia Smith, Diana Trott, Lisa Petty and Jessica Patton. Our Senior girls team were placed second with Caitlin Garland placing third and Meredith Head placing fourth. The other members of this team were Mia Daniels, Jennifer Eve, Denise Martin, Denise Matthews, Michelle Caisey and Catherine Ross. Well done girls and Mr. Wilson.

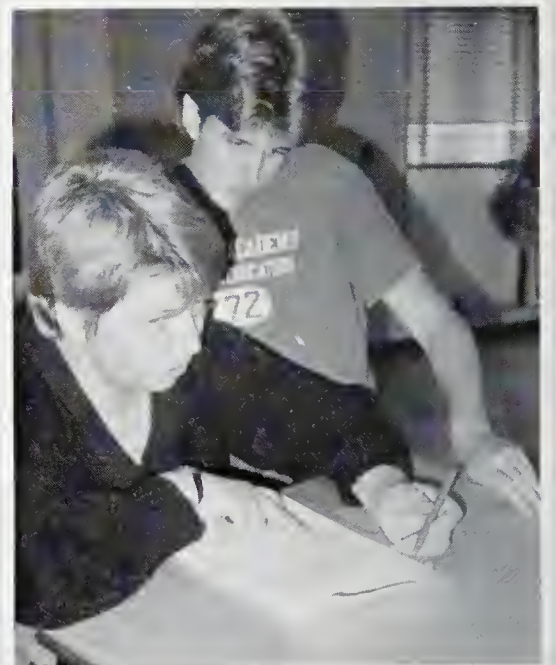

#### Girls Badminton

The girls badminton team was once again, led by Mrs. Christine Murphy with the able assistance of Mr. Richard Hall. They met on a Tuesday night in the P.P.M.H. Mrs. Murphy and Mr. Hall have been disappointed with attendance at practice this year. Our students have not been as enthusiastic as in years gone by. This is unfortunate as our girls badminton team has been one of the most successful in the history of the school. They are looking forward to lifting the inter-school trophy for the 14th consecutive year. Mrs. Murphy is a bit concerned with our amenities or rather, our lack of adequate amenities. The girls have to move chairs every evening and the fans and lights play havoc with the game itself. They are restricted in the use of the hall by the Clothing mart and other activities. The B.A.A. Gymnasium, which the team has used in the past is just too expensive now, at \$35 per hour. The team has received new raquets this year and they are looking forward to the tournament on March, 4th.

Our girls won the Inter-School shield for the 14th consecutive year. Joanne Bielby and Amanda Waltham were runners-up in the U13 doubles, Eleonara Barbieri was runner-up in the U15 singles, Tonay Desilva and Lorraine Benevides were runners-up in the O15 doubles and Grainne Byrne was runner-up in the O15 singles. Jennifer Simmons and Carol Muat won the O15 doubles. Well done girls and Mrs. Murphy, and Catherine.

The boys were coached by Mr. Michael Kirk and Mr. Richard Hall. In the Island-wide tournament our boys performed extremely well. Nathaniel Turner reached the finals in the U13 and lost to strong opposition. Timothy Harvey and Gregory Powell also reached the finals of the O15. The match went to three games and they lost by only 4 points. The team would really need more players for next year and Mr. Michael Kirk encourages all boys to try out for his team. They meet for practice on Mondays and Wednesday after school.

## BADMINTON

## Netball.

Our Netball team had the distinction of playing in the finals of the Island Wide Tournament this year. Under Miss Adderley's genial coaching the girls defeated every team except Sandys. The girls were nervous on the day of the final but this did not stop them from giving a superb performance before losing to a stronger Sandys team. The girls of the team were Carmen Deshields, Denika Smith, Sherie Howes, Paula Thomas, Sasha Castle, Caria Zuill, Michelle Caisey, Johnette Deshields, Cherie Burgess, Nicole Gibbons, Antina Mallory, Edith Botelho ns Carol Ann Williams, Carmen, Carla and Michelle were selected to represent the West in the All-Star game this year. In league play the results were as follows-

W.A.	16	v.	Northlands	7
W.A.	17	v.	War. Sec.	24
W.A.	10	v.	Sandys	14
W.A.	21	v.	BHS	17
W.A.	18	v.	Berkeley	2

The season was highlighted by the 100% attendance record of three girls-Denika, Sherie and Paula. Well Done!!

PRACTICE

The Tennis Club met 3 times per week throughout the year and was superbly coached by Mr. Wrigley and Mr. Smith. Monday was set aside for beginners, Wednesday for intermediates and Friday for Advanced players.

Repairs were carried out to the courts with new nets and posts being put in place, along with filling in cracks in the court surfaces. A tennis ladder was set up this year to give Friday tennis club members some regular competition with players of their own standard.

In the 3rd term the knock-out competitions were held. Results of these for last year were as follows-

U14 Boys Singles Kevin Kyme, U14 Girls Singles Syreeta Benn, U14 Boys Doubles Chris Richards and Rogier Roosen, U14 Girls Doubles Syreeta Benn and Nadine Smith, U14 Mixed Doubles Alex Duzovic and Elliott Hubbard, U14 Boys Singles Dominic Georges, U14 Girls Singles Catherine Ross, U14 Boys Doubles Richmond Simmons and Arnold Todd, U14 Girls Doubles Michelle Brock and Nicola Martin, U14 Mixed Doubles Meredith Hend and Chris Wallnce

The tennis team is looking forward to another successful year. Last year all our 'A' teams remained undefeated and our 'B' teams remained competitive even against other 'A' teams. The introduction of 'B' teams allowed greater participation for our players.

Results: 'A' teams played 9 and won 9 'B' teams played 7 and won 1. U14 Girls defeated BHS and Chaffee by scores of 6-0. U14 Boys 'A' team defeated Warwick Academy 'B' by a score of 6-0, defeated Chaffee on games and defeated Siltus 5-1, U14 Boys 'B' lost to Warwick Academy 'A' by a score of 0-6, lost to Chaffee by a score of 0-6 and lost to Siltus by a score of 1-5. U14 Boys 'A' defeated Warwick Academy 'B' by a score of 6-0, defeated Northlands and Chaffee by scores of 6-0, and defeated Siltus by a score of 5-1. U14 Boys 'B' lost to Warwick Academy 'A' by a score of 0-6, defeated Northlands by a score of 6-0, and lost to Chaffee and Siltus by scores of 2-4.

The team members were Lisa Fothergill, Michelle Brock, Nicola Martin, Emma Birmingham, Mair Hughes, Meredith Head, Catherine Ross, Kevin Kyme, Chris Richards, Rogier Roosen, Elliott Hubbard, Ari Ming, Oric Curtis, Scott Mello, Caleb Zuill, Dominic Georges, Richmond Simmons, Arnold Todd, Jeffrey Ryrrell, Chris Wallnce, Paul Wilson, St. Jean Orridge, Coleridge Lowe and Shawn Minors.

**Golf Club**  
The golf club was a new extra-curricular activity offered this year by Mr. Wrigley. It proved popular with students and staff alike with many teachers coming along to "fine tune" their games.

The school field became a driving range on Friday afternoons but for some pupils their shots knew no bounds, to which our neighbors will no doubt verify. Golf is one game in which a lot of practice and perseverance are required, and those members who put in the effort received the satisfaction of improving their games.

Several trips to Belmont putting green were organized to practice chipping and putting, and sand shots were practiced in the long jump pit. It is hoped to organize some matches against other schools for the summer term.

## HOCKEY PRESENTATIONS

Boys

### Boys Hockey.

The boys hockey team finished off another very successful season on 5th March by combining with the junior girls to place second in the annual mixed tournament held at the National Sports Club. During the tournament the junior mixed team managed to score 7 goals in the three games, finishing undefeated with a record of 2 wins and 1 tie. Top goal scorers for the tournament were Manny Faria with 3, Greg Todd with 2 and Jason Dennis with 2.

During the regular season the boys had victories over Whitney and Saltus. They suffered one defeat to a senior side from Whitney. All members of the team were juniors so the future looks bright for boys hockey at Warwick Academy. Team members were: Eric Schatz, Andrew Cassidy, Jason Dennis, Stuart Glen, Bradley Tatem, Simon Gorton, Nshia Ly, Herbert Drummond, Reid Robinson, Carlos Lopes, Travis Powell, Gerald Simmons, Robin Malpas, and team MVP's were Greg Todd and Manny Faria.

Our Senior girls had a very successful season. They were made up from a small nucleus of players who were persuaded to come out and play. Miss Coakley reports that both old and new players improved throughout the season and in particular, Michelle Hill had a fine season as goalkeeper. The girls drew with Whitney, Northlands and BHS. In the Senior tournament they were placed second. Two members of the team were selected as members of the Bermuda U21 squad. They are Catherine Ross and Meredith Head.

The junior girls team was coached by Miss Shelly Grace and they won the league and were placed second in the Island-wide tournament on goal average. They defeated Sandys, BHS and tied with Northlands. The junior girls Stickwork team were placed third in the Island-wide competition. Amanda Batista won the goalkeeping competition. The team was Sherie Howes, Vernagine Symonds, Alisa Hardy, Kiwana Hill, Antina Mallory, Lori Morris, Lisa Greene, Rebecca Desilva, Rebecca Payne, Sinead Byrne, Claire Mancell, Fiona Rodriguez and Denika Smith. The Stickwork team was Amanda Batista, Heather Sousa, Raquel Emery, Tonisha Key, Malika Snaith, Kirsten Butterworth.

# VOLLEYBALL

JUNIOR BOYS

JUNIOR BOYS

CHAMPIONS

ANDREW

CARLOS

## Senior Boys Volleyball

The senior boys had a difficult season in both league and tournament play. They were a very enthusiastic team and their attendance record at practices speaks well of their preparation. However, they lost all league games and managed to win only one tournament game.

### Results:

Warwick Academy v Saitus 15-8, 12-15, 15-7  
Warwick Academy v Northlands 15-11, 9-15, 15-12  
Warwick Academy v Whitney 15-12, 12-15, 15-10  
Warwick Academy v Chaffee 15-4, 12-15, 15-11

### M.S.A. Tournament

Warwick Academy v Whitney 13-15  
Warwick Academy v Chaffee 12-15  
Warwick Academy v Northlands 8-15  
Warwick Academy v M.S.A. 11-15  
Warwick Academy v Saitus 15-13

The team members were Gregory Soares, Carlos Amaral, William Drover, Dennis Defrias, Mark Morris, Timothy Harvey, Andrew Hill, Andrew Dyer and Gregory Powell.

Our junior boys had an outstanding season under the leadership of Mr. Cunningham. All members played extremely well and their attendance record at practice was second to none. They were the league champions of Bermuda for the second year running and were undefeated in all league, tournament and friendly games. Six of our boys also competed in the 1987 World of Life tournament. They were Carlos Sequeros, Manny Faria, Jason Leseur, Reid Robinson, Glen Davies and Carlos Lopes. Needless to say they also won this tournament.

### Results:

Warwick Academy v Saitus 15-7, 15-10  
Warwick Academy v Northlands 15-4, 15-12  
Warwick Academy v M.S.A. (won by default)  
Warwick Academy v Whitney (won by default)

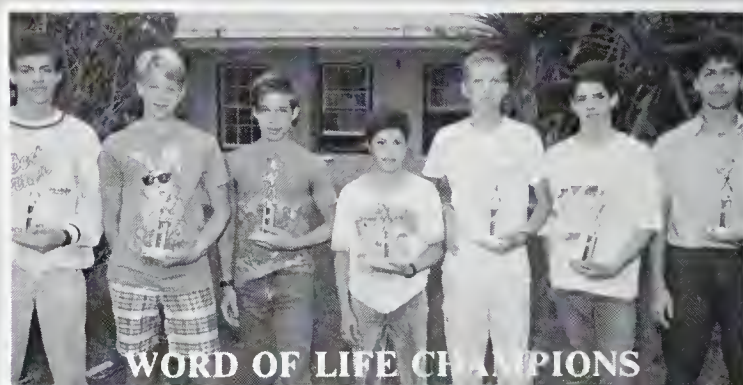

### M.S.A. Tournament

Warwick Academy defeated Whitney, Northlands and Saitus twice.

The team members were Jason Dennis, Jason Leseur, Carlos Sequeros, Daniel Morgan, Reid Robinson, Eldon Rego, Jonathan Lightbourne, Carlos Lopes, Mark Ferreira, Khalid Worrell, Danya Nearon, Manny Faria, Derek Davis, Glen Davis and Kevin Mello.

SENIOR BOYS

WORD OF LIFE CHAMPIONS

SENIOR GIRLS

CHAMPIONS

JUNIOR GIRLS

#### Senior Girls Volleyball

Our senior girls played some excellent volleyball when it came to tournaments this year. They won the B.S.S.F. tournaments and were placed second at the Chaffee Invitational tournament in December. Our girls were undefeated at the B.S.S.F. event and were only defeated by eventual winners Chaffee at the second tournament. In league play they lost both games but this does not detract from a fine season by these young girls. They were very able led by Susan Rickards and their superb coach was Miss Mattolla. Miss Mattolla entered the girls in the Womens Volleyball Winter League and this played a significant part in getting them ready for the competitions. Miss Mattolla is still concerned about a lack of uniforms for our teams and also a lack of volleyballs to practice with. The team had to use the Naval Annex in Southampton for practice as our small gymnasium was used for other activities.

#### Results:

##### League:

Warwick Academy v Northlands 12-15, 15-4, 10-15.  
Warwick Academy v Chaffee 8-15, 15-2, 1-15.

##### B.S.S.F. Tournament:

Warwick Academy v Northlands 11-3, 11-2.  
Warwick Academy v M.S.S. 11-1, 11-7.  
Warwick Academy v Northlands 11-0, 0-11, 11-5.  
Warwick Academy v M.S.A. 11-6, 11-6.  
Warwick Academy v Chaffee 12-10, 5-11, 11-9.

##### Chaffee Invitational Tournament:

Warwick Academy v M.S.A. 11-5, 11-6.  
Warwick Academy v Northlands 11-5, 11-4.  
Warwick Academy v Chaffee 9-11, 11-6, 3-11.

Team members receiving extra-curricular credit were Susan Rickards, Tanya Semos, Michelle Caisey, Mia Daniels, Toni Daniels, Jill Ferreira, Mira Ingemann, Margaret Ranjohn and Denise McIlwain.

#### Junior Girls Volleyball Team

This young team was coached by Mrs. Ryan and their captain, chosen by vote was Luzianne Cordeiro. The team played two regular season games against Northlands and Whitney Institute. In the B.S.S.F. tournament held on 26th November, our "A" team was placed second and our "B" team was placed seventh. Congratulations to Melanie Ray for a 100% attendance record throughout the season and Mrs. Ryan commented that the girls played well together all season.

#### Results:

Warwick Academy v Northlands 8-15, 15-7, 9-15.  
Warwick Academy v Whitney Inst. 10-15, 15-3, 15-7.

## THE BIBLE CLUB

### The Bible Club

The Word of Life club is a new club this year and they meet on Thursdays after school. Mark Hall, an ex-student and Miss Nancy Mattola are the leaders. There are about 15 members of this group. They meet three times per month in school. One day per month they do something different such as a scavenger hunt. They include many activities in their meetings. Sometimes they sing or perform a funny skit before the main discussion commences. They follow the Word of Life textbook and they complete lessons after a talk by Mark. Their main direction is to teach Christian principles that are practical for teenagers today.

## CHEERLEADERS

### Cheerleading

The cheerleaders are the most exciting thing to happen to Warwick Academy in the last few years. They include Michelle Caisey, Kathy O'Brien, Jennifer Eve, Adele White, Nerissa Persad, Kimberly Zuill, Erica Isaac, Shakeitha Simmons and Jana Lambert. Their coach is Miss Nancy Smith.

To raise funds for cheerleading the girls hold weekly bake sales. The money collected goes toward pom poms and material for skirts. The extra cash needed for these items was made up by the girls themselves.

Michelle Caisey wrote many of the cheers and they always made use of all the girls. The girls themselves have composed some cheers as a group.

This first year has gone pretty smoothly for the girls and next year they hope to be ready by the start of the basketball season.

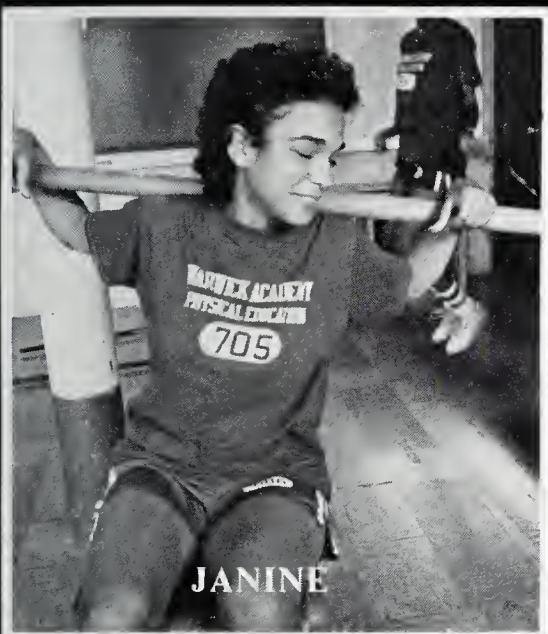

## THE PROM COMMITTEE

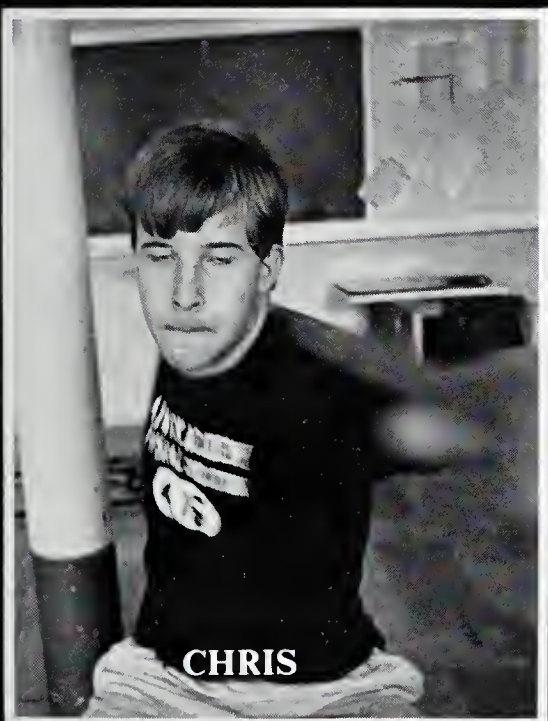

### The Prom Committee

This years prom will be held on Saturday, 2 July, 1988. To raise funds for the event the committee held a "work-a-thon" during the month of February. They will also raise funds by running Kiddyland at the Warwick Academy Heritage Fair on 8th April, 1988. Miss Grace is the inspiration behind this event and it is due to her enthusiasm that the prom is successful each year.

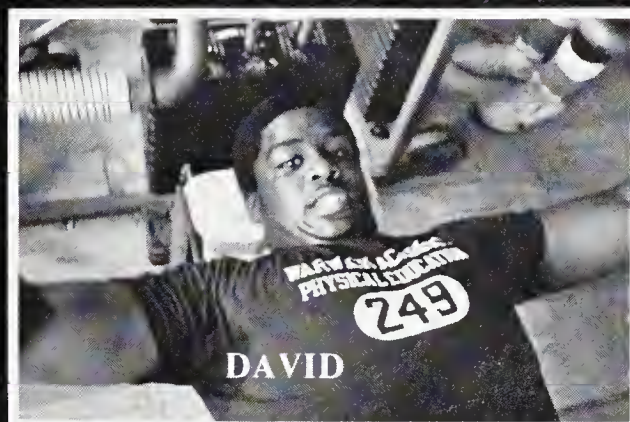

## THE WEIGHT-TRAINING CLUB

JANINE

CHRIS

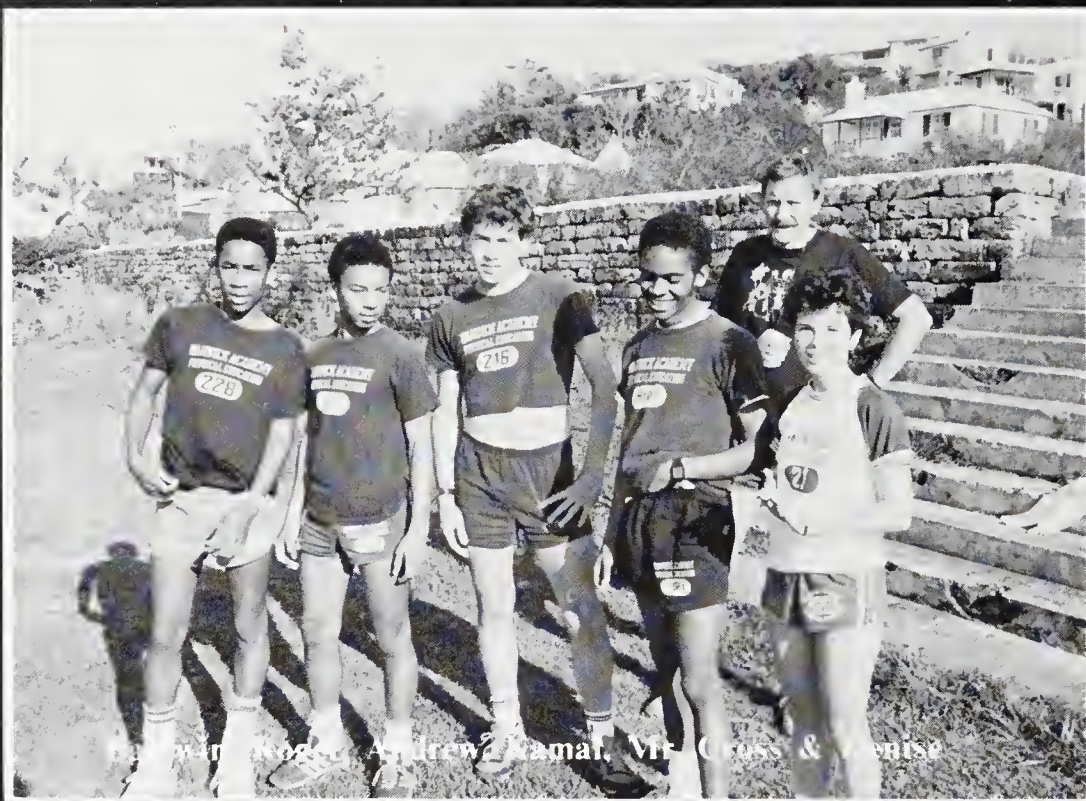

DAVID

### Weight Training

The weight training club was instructed and led by both Mr. Craik and Mr. Carbone. They met on Mondays, Wednesdays and Fridays after school. Each student follows an individual program suited to his physique and goals. This is a well attended club and appears to be thriving. Those students whose attendance earned them extra-curricular credit were Garan Madeiros, Lorraine Benevides, Jose DeSousa, David Paynter, Anthony Cupidore, Lauritta Burrows, Christopher Gauntlett and Tina Ferreira.

# TRACK AND FIELD WITH MR. STUART CROSS

Ben Dyer, Andrew Dyer, Jamal, Mr. Cross & Lauritta

## Track

Mr. Cross reports that he is taking a strong Track and Field team to compete in the tournament at White Hill Field. His students have been training hard after school to prepare for this event. The girls are better represented again, and good performances are expected from Allison Rollins in the Javelin and Lauritta Burrows in many Field events. In the boys, Ben Dyer has shown good form this year and is expected to do well in the long distance running events. Every member of this team has trained hard and their coaches, Mr. Cunningham, Miss Adderley, Mrs. Ryan and Mr. Craik have been very pleased with their efforts.

# Art Club

GENERAL ART CLUB

## Years 1+2 Art Club

This group was made up of enthusiastic art lovers who wanted everything. They worked on improving their drawing and painting skills and were introduced to such new things as collage and printmaking.

Here are a few quotes from three of the students: "The Art Club is very enjoyable. People involved in the club get a chance to expand their techniques. It also gives everyone a chance (who doesn't take art in school) to enjoy art after school and socialize with other art lovers. I like the art club because I have always loved art and I am always interested in things concerning any form of art."

Cristina Correia 2E

"The Art Club is a fascinating club. We do things in it that we don't do in class. I took art club because I love art and wanted to learn more about art and do more art things. We have a lot of fun and learn about art at the same time. We learn how artists do a certain thing and then we try it."

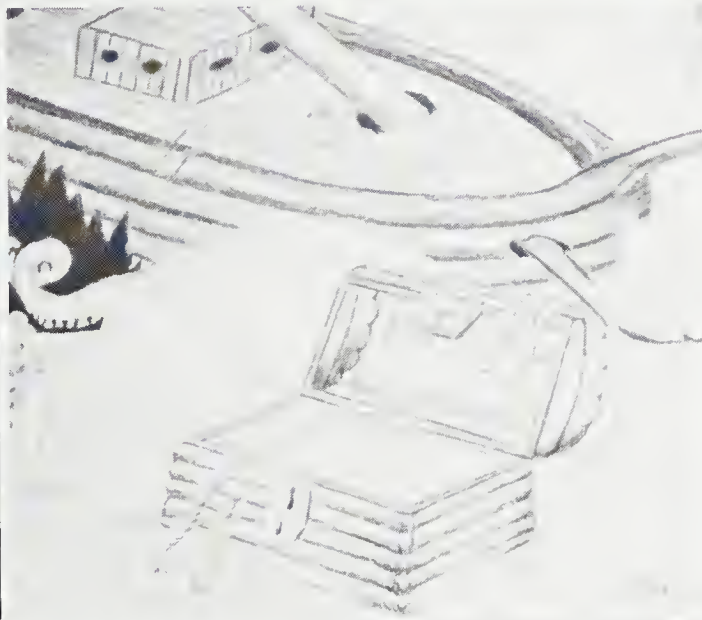

Victoria Fisher 2E

"I took Art club because it helps me to improve my art ability. I like to draw so in this way, it backs up my talent. Even though it is educational, it is fun. We draw a lot of pictures. Mrs. Judd gives us time to draw pictures of animals or fish or birds. I thoroughly enjoy art club. You try out new things in art club. It gives you time to do your best in some things. I like to paint but drawing is my talent. You do a lot of creative things in Art Club."

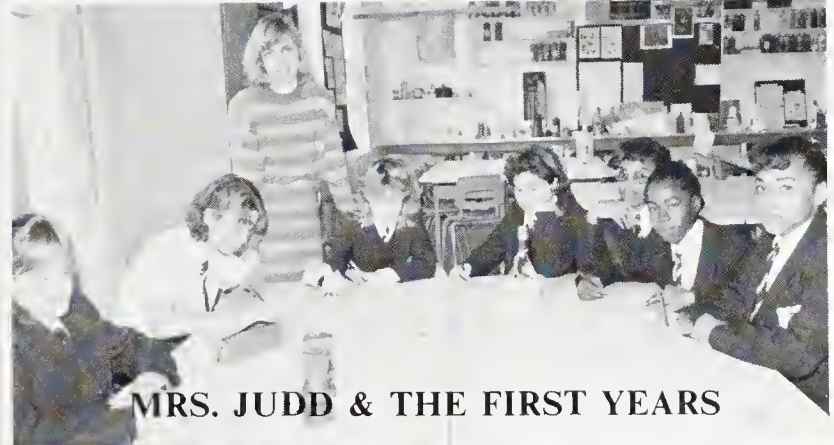

Candace Spring 2E

## General Art Club

This group was made up of the more advanced art students wanting to sharpen already acquired skills, and develop new ones.

OIL PAINTING

MRS. JUDD & THE FIRST YEARS

JACKIE, REBECCA AND ERICA

## The Cooking Club.

This well attended club gets together on a Thursday evening after school. Mrs. Gray reports that they are mostly from the Music classes. This club was originally created for our Music kids who do not have cooking in their regular timetable. Since then, it has blossomed under the tender leadership of Mrs. Gray. She reports that the students buy their own provisions for their creations and that this particular group have been both creative and extravagant. They have made chocolate mousse, puff pastry twists and pizza, all expensive items. Usually the students spend about \$8, but this years group have been spending upwards of \$14. They have also cooked sausage rolls, different types of small cakes, cheese and onion pastries and trifles. There are 24 girls in the group altogether and boys have been sadly lacking since cooking was introduced to the Year One timetable.

MONICA & SHIKA

XMAS CAKE ENTRIES

MICHELLE

MISS COAKLEY

MRS. INGHAM & MISS DUGGAN & THEIR STAFF

## Newspaper

Under the guidance of Mrs. Ingham and Miss Duggan the newspaper staff hope to publish 3 editions of the school newspaper during the 1987-88 year. Two editions will be printed by the Royal Gazette and a third will be less formal to help to defray the expenses of the other two. It is hoped that the articles will be of interest to students and the quizzes will stimulate interest in school Activities. Newsworthy events are not the only topics covered, as each edition includes student writing, gossip and letters to the editor in which students can voice their opinions and have them heard.

## The French Scrabble and the Craft Club.

SCRABBLERS

TRACEY

These clubs are run by Miss Smith in her room during lunchtimes. The french scrabblers are a very active bunch who spend their lunch hours playing this interesting word game in the french language. These are our keenest french students who hope to perform well in their GCE examinations. With some of our french students possibly going to France next November on a school trip, I am sure these students are keen to sharpen their vocabularies for both their examinations and the scrabble game.

The Craft Club is a small group of students who spend some hard earned lunchtime minutes creating fashionable accessories with the knitting needles. They hope also to branch out into other creative areas when this first project is complete.

## Computer Club.

SHANE & STEVEN

This club has 12 members with an even number of boys and girls. They meet on Tuesday afternoons and they are all involved with individual projects. Each of them has to present a project to the other club members at least once each term. Some have put together a video package on computer software while others have worked on projects showing how the packages operate. They are an enthusiastic bunch and show up regularly at club meetings. Miss Yeatman has been very pleased with her members and Mr. Moxon comments that this is the best group that they have ever had. Some new equipment to enter the computer lab this year has included a new giant colour monitor and some more IBM PCs.

TANYA

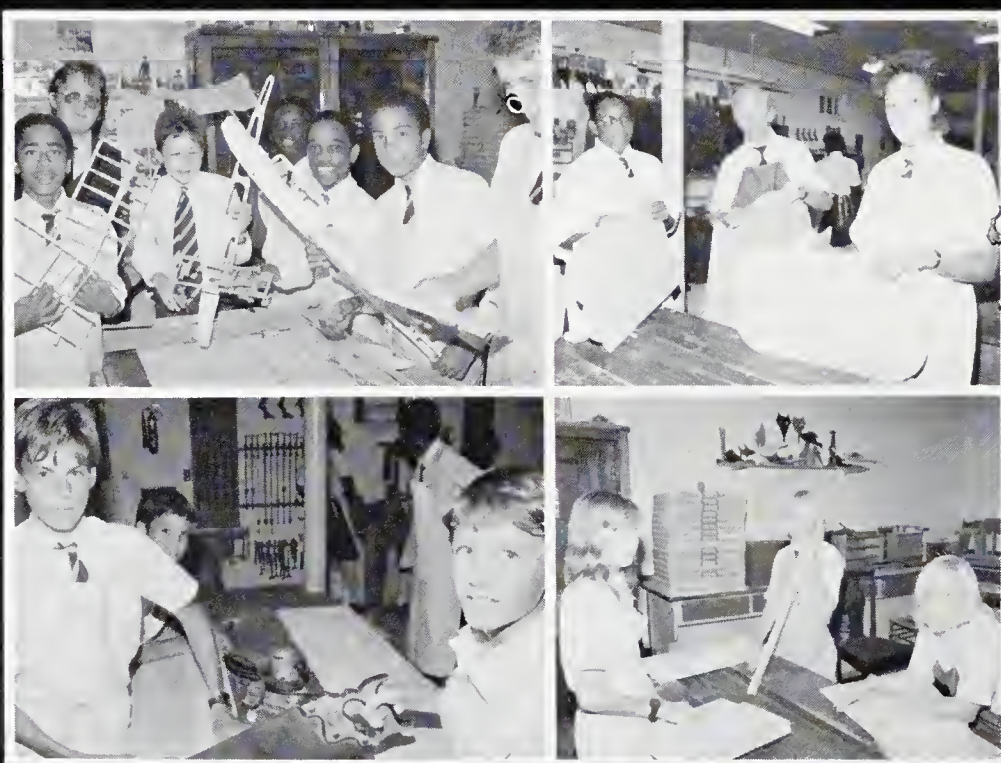

## THE WOODWORK, CRAFT AND MODEL CLUBS

### The Woodwork and Craft Club.

This club meets every Thursday evening after school in Mr. Kirk's room below the Phoebe Purvis Memorial Hall. Mr. Kirk is very pleased with the enthusiasm being shown by this group of students. The club has 16 members and the boys outnumber the girls, but only just. This year Mr. Kirk is having two groups instead of the usual three. The students have their own choice of what to create but this is limited by the cost of the materials. So far, they have been making jewelry boxes, small cabinets, vanity boards and other works of art. They learn the skills of jointing, painting, staining, varnishing, using drill pieces and finishing. Mr. Kirk usually simplifies each piece of work to make it easier to assemble. They pay for all their own materials and you can find them in the workshop from September until June.

Another voluntary club meets on Tuesday lunch-time to share with Mr. Kirk his passion for model aeroplanes. There are 14 boys in this club and they are all assembling their very own model plane. They are all from the second year.

## Laboratory Assistants

## Lab. Assistants

The Laboratory Assistants are a busy bunch of students. They help with all the day to day detail of the Science department. They have a choice of eating lunch at the lunch benches or in the Science rooms. It is their responsibility to wash any dishes, clean off the chalkboard, feed the animals, straighten out the desks and any other job assigned by the teacher. Once their work is finished these hardworking students can finally go outside.

## The Chess Club

## Chess Club

The Chess Club has had to rely on its regular team members to make up numbers this year. Mr. Buchmann would like more younger students to become involved with chess and he is also looking for more boys. There are more girls than boys in the chess club this year and this has been surprising. There are 17 members at the moment and most of them squeeze in a game or two on Thursdays at lunchtime. Mr. Buchmann has organized a ladder system and a knock-out tournament for this year. He is also hoping to arrange some games with other schools. So far the following students have achieved the following places in the Knock-out competition-

- Juniors** 1st Paul Telford  
2nd Krisia Haynes  
3rd Randolph Simons  
**Seniors** 1st Paul Montgomery  
2nd Andrew Rossiter  
3rd Steven Robinson

The order in the knock-out competition was changed by December/January to the following order:

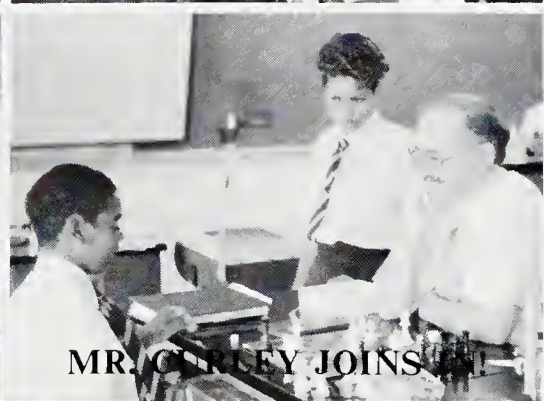

- Juniors** 1st Nelson Oliveira  
2nd Krisia Haynes  
3rd Kirk Outerbridge  
**Seniors** 1st Andrew Rossiter  
2nd Steven Robinson  
3rd Lucy Furtado

The League standings in January were-

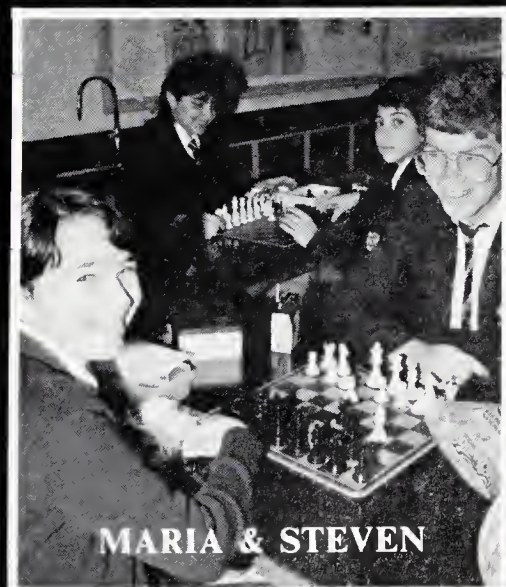

- 1st Steven Robinson (34 pts)  
2nd Lucy Furtado (31)  
3rd Manuel Repose (30)  
4th Maria Rego (30)  
**Juniors**  
1st Nelson Oliveira (35 pts)  
2nd Heather Bayley (29)  
3rd Kirk Outerbridge (29)  
4th Sharika Richardson (29)  
5th Andrew Rossiter (29)

KRISIA & ALEX

THE SCIENCE CLUB

THE STOCK ROOM

#### Science Club

The Science Club has been a disappointment this year with only one member. Mr. Carbone and Mr. Murphy have, nevertheless soldiered on with their one member. The club is student oriented and they are allowed to choose their own experiments. So far they have made Carbon Dioxide from yeast and sugar, grown crystals and built electric motors. They are also looking after some endemic plants which have become the property of the school just recently. They meet on a Tuesday at lunchtime.

#### The Stockroom

The Stockroom is managed by Mr. Chandler and Mr. Hollins. Shannon Sanders and Elaine Moniz are the two student assistants. The Stockroom supplies our students with books, pencils, P.E. uniforms, binders, paper and many other articles. It also supplies the teachers with their necessities. The Stockroom is open from 8:30 a.m. until 8:45 a.m. and from 3:30 until 3:45 p.m. Before opening for business the staff has to check the workroom for paper and fluid for the mimeographs and gestetner. It's their job to replenish these supplies and all in all it is a fun extra-curricular.

Shannon

Kelly

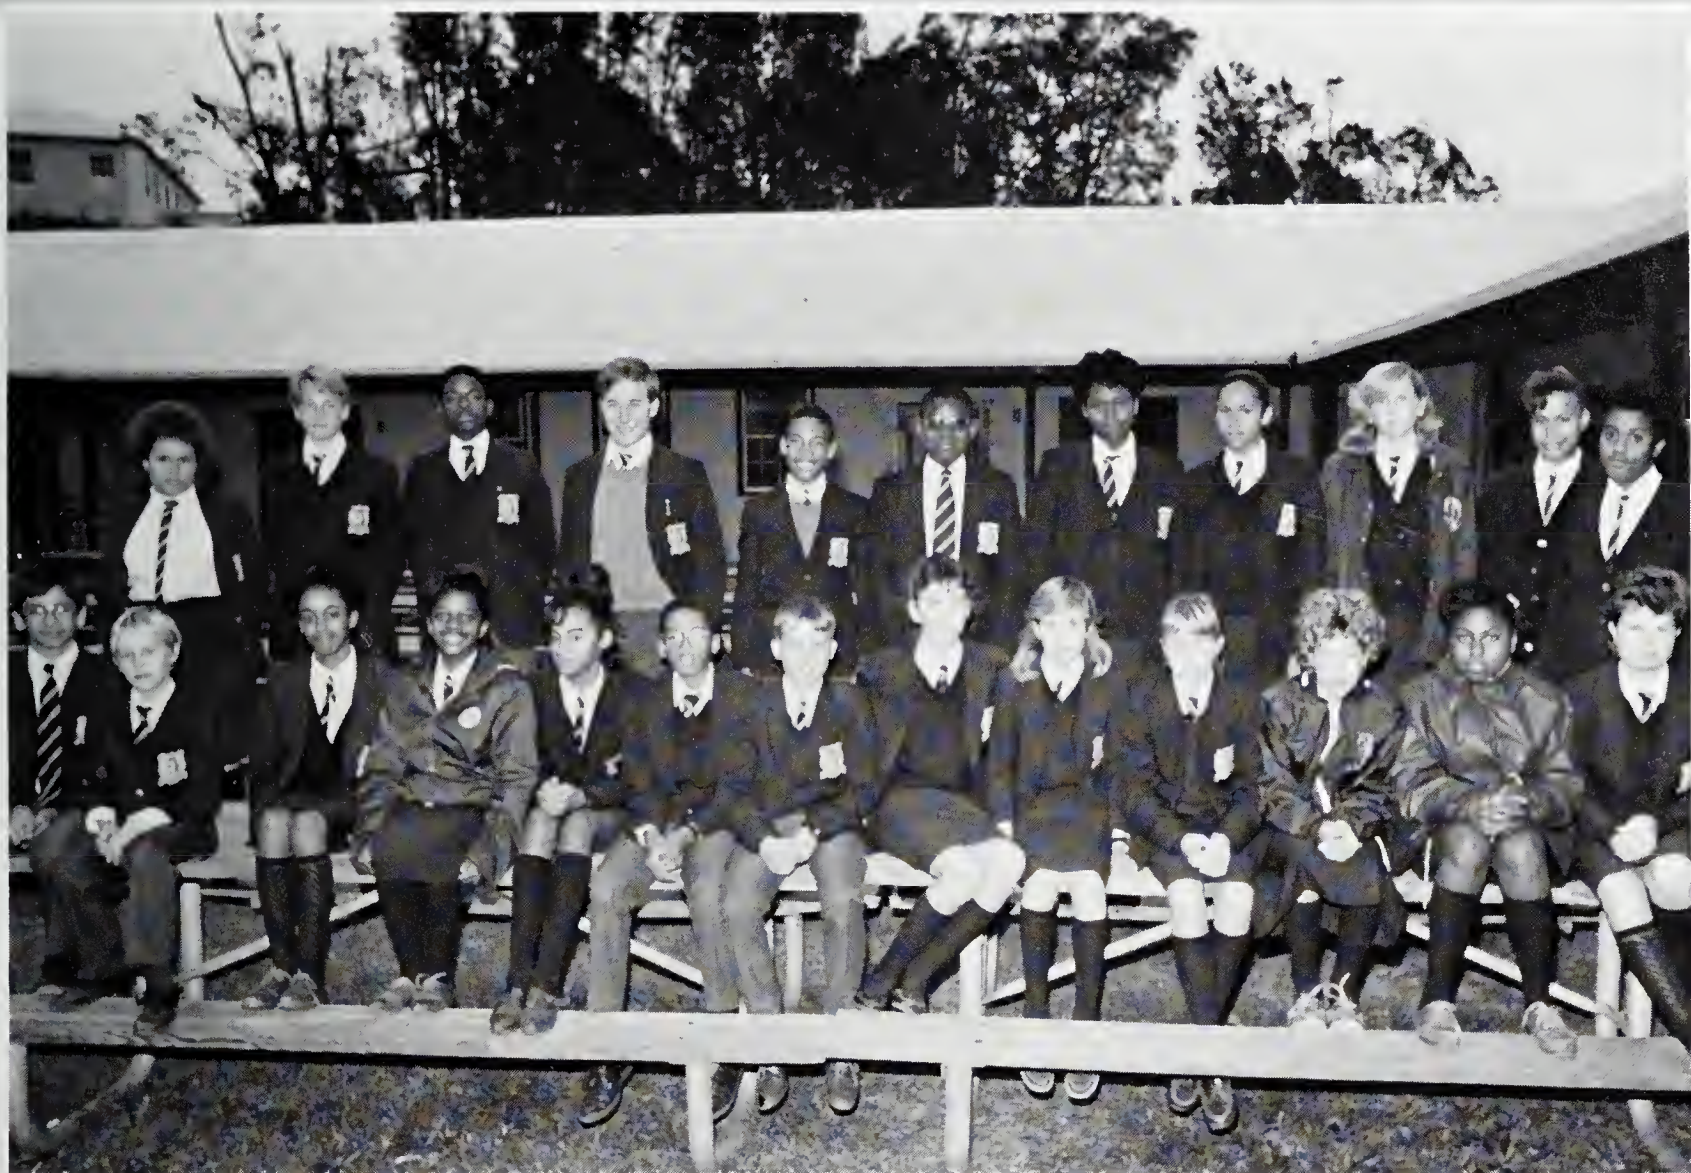

Rebecca, Kelly, Shannon & David

#### The Tuck Shop.

The Tuck shop was under the care of Mr. Wendes and then Mr. Wrigley this year. Tucked away in the Weight Training room these students do a fine job of supplying all sorts of fattening nourishment at lunchtime. They work long hours down there but they are ably looked after by Mr. Wrigley. Mr. Wrigley has certainly had a busy year. He has looked after the golf, tennis and the Warwick Academy newsboard as well as being a part time journalist for the Mid Ocean News. He has also continued his good play at golf with a win in the Port Royl Golf Club 4 ball/best ball competition. Well done Mr. Wrigley.

## POLICE CADETS

P.C. Michael Desilva

### The Police Cadets

The Police cadets have not been a feature at Warwick Academy for a few years now. They meet on a Friday in the Music Rooms and their instructor is P.C. Michael Desilva. They are learning the history of the police force, basic first aid and a host of activities have been lined up when they get their smart new uniforms. They are having trashathons, car washes to raise money for their equipment and they pay dues every week for their activities. Welcome back to our very own Police Cadets.

Carl Gauntlett

## Librarians.

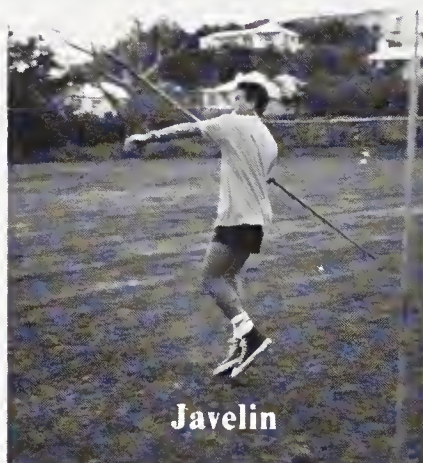

The Library is under the watchful eye of Miss Doris Duggan. She has a large staff who complete all the smaller tasks concerned with library duties. They are a very efficient and helpful staff as you can see by just looking at those eager faces in the photograph.

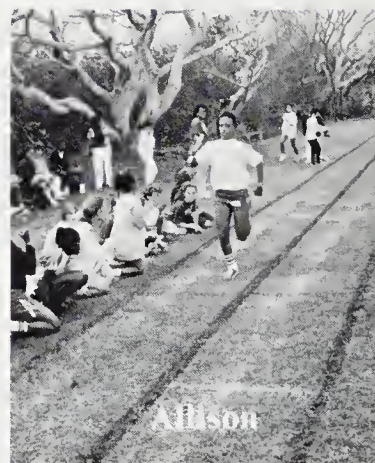

## Track and Field Sports Day.

Fiona takes over

Javelin

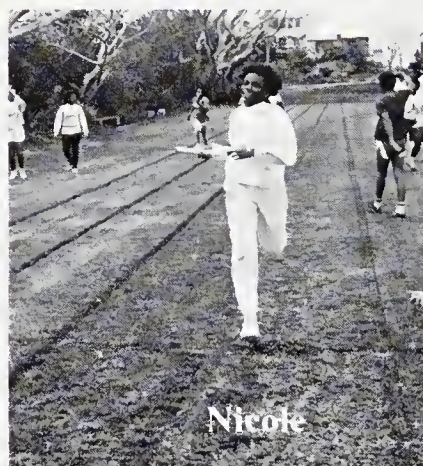

Allison

Greg

This particular sports day was held at the end of the Easter term. It started off with a little rain but the clouds soon disappeared as the sun broke through. It was a most exciting day which ended with a convincing victory for Robertson House. Lauritta Burrows and Allison Rollins displayed their considerable talents and everyone had an enjoyable day. Well done Mr. Smith and his students and teacher helpers.

## Adventure Training Club.

A new experience is available to Warwick Academy students this year. It is the Adventure Training Club run by Mr. John Henry Howell. There are 40 students in this club already and membership is still open for next year. Mr. Howell reports that about two thirds of the members are boys but encourages participation by the fairer section of the school.

The Club promotes activities such as Cold Water Swimming, Orienteering, Kayaking, Abseiling general outdoor activities. Already 30 members have completed their cold water tests and have been commended in assembly by the headmaster.

What the club lacks in material assets it makes up with esprit de corps of the student volunteers. The Club took part in the National Clean-Up day in December when they helped the Bermuda Regiment to clear away the debris left by Hurricane Emily. Mr. Howell, is confident that his club will grow stronger next year and that more students will complete more of the programs. Till now the enthusiasm of this club has matched the drive of Mr. Howell. The club meets on a Thursday at lunchtime where they conduct meetings. They have an elected Secretary and Treasurer.

Finally Mr. Howell reports that so far he has put \$100 of his own money into the group. The group has raised about \$350 from bake sales but Mr. Howell reports this short of the target of \$10,000 which he requires to buy the necessary equipment for his volunteers. Mr. Howell also wishes to develop the dockside area for aquatic and waterborn activities. The Obstacle and Assault Course has been placed on hold for the present but Mr. Howell reports that this is one of his priorities for the future. However, permission has been granted from the Board of Governors for the construction of a Trim Track which he hopes to complete soon.

# CONCERT BAND, ORCHESTRA, CHOIR,

The String Orchestra 1987/1988  
Directed by Mr. Moxon

The String Orchestra continues to build and improve on its successes of previous years and there are now several musical engagements that have become an annual feature. The first is the Peace Lutheran Church. This was the Orchestra's third annual visit to the church by 4M and 5M and, as always, they were given an enthusiastic reception. By the way, next years fourth and fifth years are already booked for their October visit!

The annual Christmas concert has long been a tradition at Warwick Academy, although this year the musical emphasis was on items of a more general nature, rather than the usual Christmas pieces. However, that did not prevent a rendition of "Season's Greetings", or of "I'm dreaming of a White Christmas!"

It was for the second year that the Strings, Concert Band, and Choir toiled for a whole day under the hot lights to produce a Christmas Special for ZBM. This was shown on Christmas Day itself, and those who had not fallen asleep after a surfeit of turkey and pudding enjoyed a performance of very traditional Christmas fare. Worthy of mention was the "Mistletoe Calypso" as performed by the choir under the direction of Miss Smith. Rumour has it that some of them were even seen to be smiling as though they were enjoying it!

In February of the new year, four and five music were once again pressed into service to provide live music for the opening of the Woman '88 Art exhibition, held in the East Room at City Hall. This gave everyone an opportunity to "fine tune" a series of pieces that were performed in Canada the following month.

For the second time, Warwick Academy and Cobourg Institute West of Cobourg, Ontario, participated in a music exchange with all of Four and Five music going there in March, and then coming here in May. Somehow, everyone managed to survive the low, low temperatures and the concerts. The band members of the Institute enjoyed the early summer weather sporting some wild Bermuda shorts on a "Looking Glass" cruise in the harbour!

And so the final event of the year, the Summer concert. All of the string classes were given the opportunity to perform alone as well as in various combinations. As always, this was the final Warwick Academy concert for all the Fifth year musicians. And, as always, they rose to the occasion with an excellent performance. They are a group of most capable players who deserve every success in their future endeavours. I would like to say a special farewell to all of them. (Go on, admit it! You're all going to miss those I.T. Lessons!! Even you Elaine!)

# CONCERT BAND, ORCHESTRA, CHOIR

THE CHOIR

## Choir

The Warwick Academy Choir has about twenty members this year. It is organized and run by Mr. Severin and Miss Smith. They meet regularly on Tuesdays and Thursdays in the morning between 8:15 and 8:40.

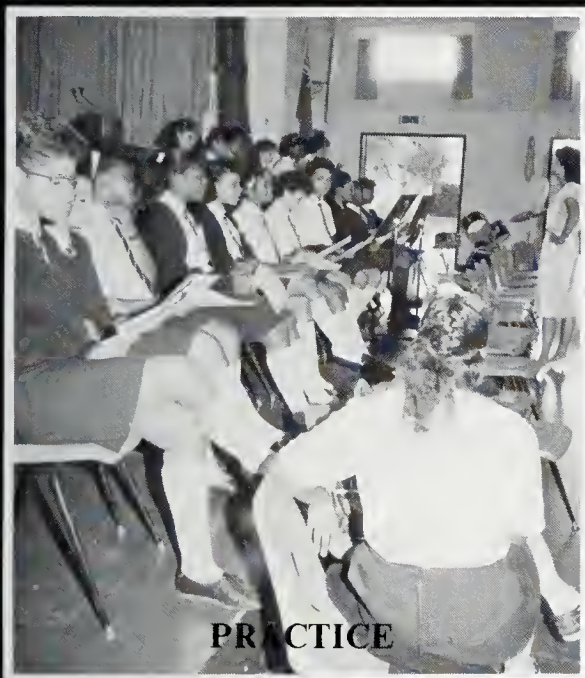

This year the choir is divided into three groups of singers from almost every class. The three groups are soprano, alto and bass.

They have performed at the Xmas and Spring Concert and they even choreographed one song. There were also some solo performances and they sang pieces ranging from classical to pop music.

Claire Mancelli

MISTLETOE CALYPSO

PRACTICE

LILLA AND LISA

THE CONCERT BAND

This year Mr. Orville Severin has filled in for Mr. Jones who is in America completing a degree in higher education. Among his other duties Mr. Severin has also been responsible for our famous Concert Band.

He reports that the band consists of about 50 students from all the music classes except one. Their repertoire embraces a wide selection of tastes-rock, jazz, pops, Broadway musicals, and of course the enduring classics.

Their first major concert of the year was "The Premiere's Concert" at City Hall in Hamilton. This was followed by the annual Xmas concert on 12th December. On 17th December the band had a full afternoon of taping at the ZBM studios for the programme aired on Xmas Day at 6:30 p.m.

On 28th January the band gave a teaching performance at Paget Primary School and at the moment (February) the band are in rehearsal for a concert at Elbow Beach on 28th February.

Soon our 4th and 5th year music students will be leaving for a trip to Coburg in Canada. The Coburg District School will be our guests for a week at the end of April.

Later, the band will be touring the Primary schools and in the works is a massed band performance with the Bermuda Regiment. There will also be another spring concert in the P.P.M.H. in early May.

All in all this has been a hectic year for our Concert Band and Mr. Severin deserves our warmest thanks for a job wonderfully done.

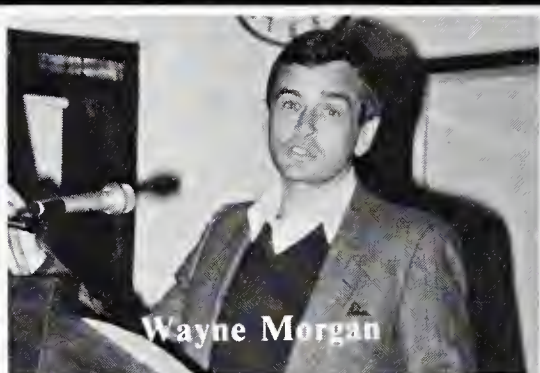

# THE CLOTHING MART

## WARWICK ACADEMY ASSOCIATION

Gary Loman

Wayne Morgan

Edward King

### The Clothing Mart.

The Clothing Mart did another superb job this year. They are a team of very smart ladies and gents whose single purpose is to do their best for our school. It is not an easy task to give up so much free time when there are other pressing and sometimes equally important tasks to be performed. Many of this committee no longer have children attending Warwick yet they continue to give up their time for us. We salute you ladies and gentlemen and, once again thank you for a job well done.

### Warwick Academy Association

This Association must be one of the most innovative anywhere on the island. A few years ago they introduced discos for our youngsters and this year they introduced a very successful dance for our parents. They also take care of the Heritage Fair which is a huge undertaking for an amateur but very efficient Committee. The Fair is the highlight of the year for many of the Island and this Committee never fails to put on the best show possible. Coconut shies, trains, water thrills and all sorts of other games make such a welcome contrast to the normal academic pursuits of Warwick Academy. Once again, thanks for all your help and support from all our students.

ANNUAL REPORT OF THE HEADMASTER  
PRESENTED AT PRIZE GIVING  
November 19, 1987

**GENERAL CERTIFICATE OF EDUCATION EXAMINATIONS**

Our pupils continue to perform well in the University of London G.C.E. examination, although there is room for improvement. The majority of our fifth-year pupils have performed well above our expectations and deserve our congratulations. However, we continue to be concerned about a few of our pupils whose achievement, for a variety of reasons, falls short of their potential.

During the 1986-87 school year, fourth and fifth-year pupils passed a total of five hundred and twenty seven examinations out of a possible seven hundred and ninety six, representing a pass rate of 66.2 per cent.

Eighty one fifty-form pupils left school last year having gained 503 passes, an average of 6.2 passes per pupil. This is in keeping with the result for the past thirteen years during which 5,771 passes have been gained by 921 pupils or 6.3 passes per pupil. Of the eighty one fifth-year pupils, 47 gained five or more passes, representing 58% of the fifth year.

**BERMUDA SECONDARY SCHOOL CERTIFICATE**

Of the eighteen pupils who gained an Honours Certificate by achieving a Grade Point Average of 3.5 or more for their five years in secondary school, fourteen were Warwick Academy pupils.

**INTERNAL ASSESSMENTS**

Internal assessments indicate the successes and failures of each student with the established school standards and compare their achievements with other students within the school.

Twenty nine per cent of our pupils performed exceptionally well in these internal assessments by attaining academic honours. Of these, forty nine pupils earned honourable mention by attaining a 70-75 per cent average, fifty four students attained second honours by achieving a 75-80 per cent average, and twenty five students attained first honours by achieving a yearly average of 80 per cent or better.

**Sports**

Our athletes have continued to perform well in interschool sports. We won seventeen titles and were runners-up in fifteen. The girls won championships in badminton, swimming, tennis and field hockey and the boys in basketball, rugby, field hockey and tennis. The girls, for the thirteenth consecutive year, won the Bacardi Interschools Badminton tournament by beating second-place Whitney Institute by one hundred and forty six points.

**Badminton**

The Bacardi Interschool Tournament

Under 13	Kevin Kyme	runner-up singles
	Teresa Perozzi	winner singles and doubles
	Melanie Ray	winner doubles
	Lorraine Benevides	runner-up singles and doubles
	Belinda Barbieri	runner-up doubles
Under 15	Shannon Sanders	winner singles and doubles
	Sarah Jordan	winner doubles
	Gloria Fogden	runner-up singles
Over 15	St. Jean Orridge	runner-up doubles
	Gregory Powell	runner-up doubles
	Lisa Hansford-Smith	winner singles and doubles
	Vanessa Lovell	winner doubles
	Nicola Martin	runner-up singles
	Roseanne Augustus	runner-up doubles
	Jill Terceira	runner-up doubles

**Basketball**

The junior boys basketball team, coached by Mr. Chris Craik, was undefeated throughout the season, winning the league and the interschool tournament. Derek Hurdle averaged fifteen points per game and he and Gregory Soares were highly successful in gaining rebounds. Jason Hansford-Smith was excellent in defense and Abayomi Carmichael and Craig Ferguson improved most throughout the season.

The senior boys basketball team, also coached by Mr. Craik, won five of their eleven games. Jon Pedro and Akira Teranishi were selected for the All-Star Team.

The junior girls basketball team coached by Miss Elizabeth Adderley faced stiff competition from Roger B. Chaffee and Mt. Saint Agnes, the only other schools competing in this sport. They lost to the former and gained one win against the latter.

The senior girls basketball team, coached by Mrs. Colleen Ryan (nee McGrath), although winning only one of their six games, were extremely enthusiastic with no member attending less than 82% of the sessions. Tanya Semos achieved 100% attendance and she and Maria Peterkin were selected for the All-Star Team.

**Cricket**

The senior cricket team coached by Mr. Warren Jones won two of the three games played before examinations curtailed the season. This was a fine, well balanced team which could have done very well with a full complement of games against other schools.

**Cross Country**

The boys teams were coached by Mr. Stuart Cross. Many members trained diligently but, because of illness on the day, only the under 15 team had a full complement and placed 4th in the school's competition.

The girls teams, coached by Miss Nancy Mattola performed extremely well with the under 13 team gaining second place, the under 15 team 3rd place and the over 15 team 3rd place.

**Field Hockey**

The boys team, coached by Mr. Allen Cunningham, had an undefeated season, playing five games winning three and drawing two.

The junior girls team, coached by Miss Shelly Grace, placed second in the interschool tournament.

The senior girls team, coached by Miss Anne Coakley, won the senior league and placed second in the interschool tournament.

**Netball**

The senior girls team, coached by Miss Elizabeth Adderley, placed second in the interschool tournament and Michelle Brock and Maxann Anderson were selected for the west team in the All-Star game.

**Rugby**

Under the guidance of coaches Mr. Harry Patchett and Mr. Nick Carbone, the under 13 team won their league and also won the Whitney 7-a-side tournament, while the under 15 team were runners-up in the Whitney 7-a-side tournament.

**Soccer**

The boys intermediate team, coached by Mr. Alistair Smith, placed throughout the season with enthusiasm and confidence. Although only winning three of their ten games, each encounter was hard fought, as indicated by the closeness of the goals for and against, 23 to 25. Gladwin Daniels was the top goal scorer with 6 goals and Timmy Figuerido, the goalkeeper was considered the most valuable player.

The boys senior team, coached by Mr. Warren Jones, won four of their ten games. Dennis Robinson, Nelson Pimental, Calon Hollis and Stefan Calder were selected for the West All-Star Team.

A girls team made its debut, coached by Miss Barbara Tilney. Many practices were held but the team suffered from lack of opposition. They played two games, defeating Mt. Saint Agnes girls 1-0 and losing to our first-year boys 5-0.

**Swimming**

The teams were coached by Mr. Ken Mierzykowski, assisted by Miss Grace, Mrs. Slaughter, Mr. Craik and Mr. Cross. In the interschool competition the girls were overall winners. The under 13 age group scored all points possible while the under 15 age group won all but two races in the competition. The boys were runners-up in the tournament. Kristina Williams, Jennifer Smatt and Ian Raynor gained two first places each.

**Tennis**

All age groups were coached by Mr. Andrew Wrigley and Mr. Alistair Smith. The junior and senior boys and the junior and senior girls were all league champions, being undefeated throughout the season. B teams were also entered in both boys leagues and gave their opponents serious competition.

**Track and Field**

The chief coach, Mr. Stuart Cross was assisted by Mr. Cunningham, Mr. Craik, Mrs. Ryan and Miss Adderley.

In the Warwick Secondary School Invitational Relay meet the school team placed fourth while in the Interschool Sports the girls placed fifth and the boys placed eighth overall. The most successful competitors were Lauritta Burrows who gained three first places, Allison Rollins who gained one first and one second place and Ben Dyer who gained one second, one fourth and one sixth place.

**Volleyball**

The junior girls coached by Mrs. Colleen Ryan were third in their league and second in the interschool tournament.

The senior girls, coached by Miss Nancy Mattola placed third in the B.S.S.F. interschool tournament and placed second in the Roger B. Chaffee tournament.

**Literary Activities**

# WARWICK ACADEMY PRIZE

MR. HARRY SOARES

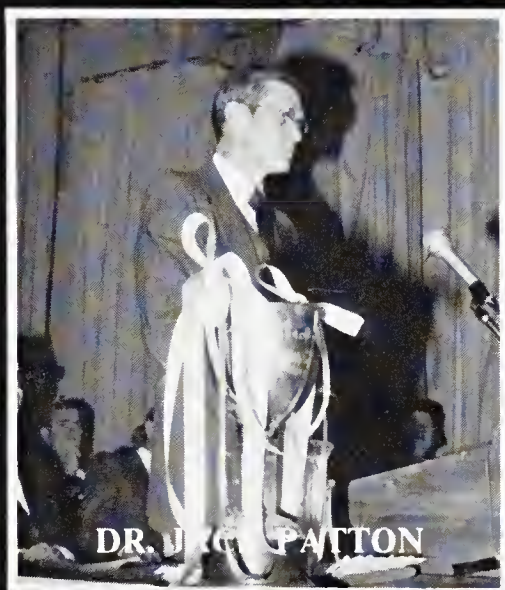

Our Prizegiving ceremony was held on Thursday, November 19th, 1987. As usual it was attended by our third, fourth and fifth years along with prizewinners from the other years. The orchestra under the direction of Mr. Moxon announced the arrival of the guests of honour with Mendelssohn's March from Athalia. After a moments hesitation about who should be sitting and who should be standing, the ceremony got under way. After two reports from Dr. Patton and Mr. Rodriguez, the orchestra entertained us with an Espanza Waltz by Waldteufel, a Rastime Pizzicato by Feese and a Light Cavalry Overture by Suppe. The Pizzicato Waltz was a marvel to behold as the orchestra picked its way through this difficult piece. After the presentation of prizes most guests withdrew to the Physics Room where Mrs. Gray and Miss Coakley had arranged some delightful refreshments. Our guests were treated to all sorts of sandwiches and pastries which were prepared by our very own students. This was another very successful programme arranged by the school and everyone had a very enjoyable evening.

Our guest speaker on Prize Night was Mr. Harry Soares, C.A.M.P. A past pupil at the school, Mr. Soares deliberately kept his speech short in the interests of the comfort of the students. He spoke briefly about a concern which he believes Bermuda will have to face in the future. His concern is zero-population growth and he outlined the problems that this might cause in the market place and in the community. Mr. Soares also reminded us of his days as a student when bets would be placed on the time taken for our guest's speech. I am sure Mr. Soares would not be too disappointed to learn that this tradition continues and, that he upset most people's predictions by being so short.

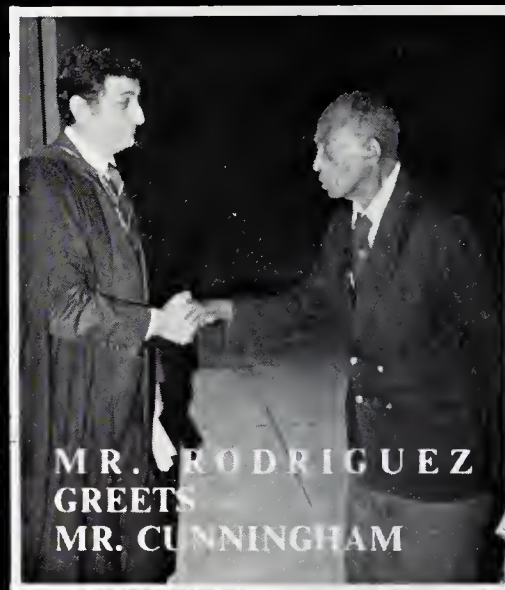

In his prize day speech the chairman of Warwick Academy's Board of Governors threatened that the school will go private if government strips the right of schools to choose their own students. Dr. Jack Patton said that such a move would not be easy but that financial neglect by government for the past 25 years has forced the Board into considering such a move.

Dr. Patton lauded the excellent traditions of the school and portrayed it as "racially integrated and a beacon of scholarship". Unlike the private schools parents can send their children to a prestigious institution free of charge. Dr. Patton suggested that changes being considered by government could possibly change the quality of the school. He criticized government for considering a comprehensive system which would abandon the right of schools to choose their own students. He also criticized government's underfunding of public schools claiming that the recent injection of \$1.6 million is too little and too late. The \$100,000 allotted to Warwick has already been consumed with much needed physical repairs.

On the more positive side he paid compliments to the student body for continuing the high standards of excellence set by the staff.

## GEOGRAPHY TRIP TO U.K.

### Geography Field Trip to Wales.

For the third time our geography students will be visiting a Field Centre in Britain for some first hand experience in geographical techniques. It is called the British Field Studies Council Centre at BETWS-Y-COED and is in North Wales. This is a quality trip for our fourth years and it is quite exhausting. The preparations are also quite exhausting for both students and teachers. They have to raise money through selling pizzas, a trashathon and a Yard Sale. They leave Bermuda on 23rd March and return on 3rd April. They travel by British Airways to London and then by train to Wales.

They have all ordered blue sweatshirts as souvenirs and they have designed their own emblem. The trip is the brain-child of Mr. Hillins and he is assisted by Mr. Chandler. Twelve students are participating this year. Our students will be studying the following topics-

- They will be looking at the upland, middle and old age stages of the River Conwy and they will be taking measurements of the river's speed.
- They will perform a boulder clay quadrat analysis.
- They will construct a cross-section/profile of a pebble beach
- They will see a working museum of a slate mine. They will also visit Dinorwic H.E.P. Station.
- In Llandudno they will perform a pedestrian count and do some land use mapping.
- In Chester they will see the Old Roman City completely intact with sandstone wall.
- They will finish up with two nights in London where they can shop in Oxford Street.

### Gabe Rodriguez.

Some people need an introduction and some people don't. Gabe Rodriguez does not need any introduction to us. He is what he appears to be. He is a warm, free thinking individual whose personality has become interwoven with the fabric of this school. Gabe Rodriguez is the heart of Warwick Academy. He is its complexion, its smile, its frown, its sensitivity, its responsiveness and, yes, its discipline. Gabe Rodriguez is a believer in the traditional value of common sense.

Gabe Rodriguez was the product of a Celtic homeland which encourages intellectual enquiry and tolerance to physical hardship. He was born in Wales and born to play its national sport and pastime-rugby. Gabe took to rugby with the ease of a fish to water. Independent of spirit, yet ingrained with a belief in good teamwork, he quickly made himself known both in academic and on rugby fields. Gabe is also a scientist who thinks on many levels, and this strength has made him the Gabe Rodriguez we know.

Gabe came to Bermuda to teach and he has taught at Warwick Academy for a long time, even longer than he likes to remember. He has a lovely wife Jean and two charming daughters, Caroline and Fiona.

Gabe has been our acting Headmaster for 1987/88, and Warwick Academy is richer because of it. Gabe is our strength and our weakness: He laughs with us and he cries with us. In terms of human spirit, Gabe Rodriguez has full measure.

# THE YEARBOOK STAFF OF 1988

Lay-Out - Grainne Byrne

Lisa Silva  
Theresa Martins  
Jennifer Moniz  
Jillian Summers  
Rosemary Seymour

Rosemary & Jill

This has been a very interesting year for the Yearbook. Our staff has increased in size and our modus operandi has become more efficient. Usually, these two factors are mutually exclusive, so it was a pleasant surprise when everything went according to plan.

Our lay-out staff was excellent. Grainne, Robin and Tonya worked countless hours and showed patience, creativity and flexibility not usually accredited to ones so young. These girls worked steadily from September until March to meet and beat our deadlines, which normally come up too fast anyway. I can't thank them enough for their work and interest.

The Advertising Staff were also terrific. We had an impossible target of 30 pages to balance our budget, but our students made this task seem easy. Makeba, Theresa, Tracey, Anna, Lisa, Jenny, Melanie and Shane were a marvellous crew. They visited numerous businesses and stores in search of support for Warwick and I admired their gritty determination to stick to their task.

Our fundraising efforts were stupendous, Lisa, Theresa and Jenny ran the Grub Days while Jillian and Rosemary ran the hot dogs sales at lunchtimes. This is not an easy task as the girls take care of ordering, cooking, selling, cleaning up and writing financial reports for the school. I want to congratulate them for seeing the year through and making payment of our book that much easier.

I would also like to thank all the teachers and students whose co-operation made this book a joy to produce.

We sold 257 yearbooks in November which was not a lot out of a total student enrollment of about 430 students. We were, however, able to assess and create the necessary cash to complete the payment of our book from other sources.

We have tried our best to include as many people as possible in this edition. It is not possible to make sure that everyone is included at least once, but we do try.

We have had our ups and downs as well. Nothing this complicated or this professional goes smoothly all the time. However, with a singlemindedness of purpose we have pooled our resources and produced, what we believe to be the best possible Yearbook.

Rod Monroe.

# OPPORTUNITIES

... exist throughout Office Equipment Limited for bright, well-motivated graduates looking for a rewarding career with a long-established but progressive-thinking office supplies company.

Office Equipment Limited offers extensive training programmes, in specific fields, to suitably qualified applicants; and our on-going training programmes ensure that our employees stay abreast of the latest developments in technology, marketing and sales. The Company also offers a comprehensive range of employee benefits and excellent working conditions.

If you are interested in a career as a:

Sales Representative	Electronics Engineer
Marketing Consultant	Customer Service Engineer
Electro-mechanical Engineer	or Technician
Systems Analyst	

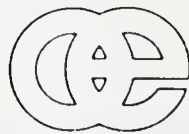

working on the leading edge of technology in:

Word Processing	Facsimile
Security	Telecommunications
Image Processing	Data Processing

and other major office systems, feel free to contact our

**Manager Human Resources**  
**at 295-9400 or 295-8080**

and we'll be happy to discuss your future prospects and offer career guidance.

## Office Equipment Limited

A Wholly Owned Subsidiary of Purvis Limited  
Reid Street Store & Victoria Street Showrooms, Hamilton

# A Challenging Future with BELCO

The Bermuda Electric Light Company offers university and college graduates, and other well-educated, highly-motivated people, rewarding and challenging careers in a progressive industry.

Opportunities are available for Professional Engineers, both Electrical and Mechanical and we would also be interested in hearing from persons wishing to pursue careers as Technicians • Systems Analysts/Programmers • Accounts and Clerical Staff • Electrical and Mechanical Fitters.

Apprenticeships are currently available in Mechanical and Electrical Fitting. The Company offers a \$7,500 University/Education Award in Engineering annually.

To find out more about entry requirements for a challenging career in our industry, telephone the Personnel Office at 295-5111.

*Wishing you continued achievement*

L.P. GUTTERIDGE LIMITED

The difference between  
just a job and  
an exciting, rewarding career is  
The Bank of N. T. Butterfield

You can be part of an exciting, thriving  
institution; part of a forward moving,  
aggressive team whose objective is to  
be the best.

We offer more than eighty different career  
categories, including engineer, air-conditioning  
mechanic, caterer, security guard, secretary,  
lawyer, teller, systems analyst and computer  
programmer. The list seems endless. And  
remember, as the needs of our community change  
and increase, so must our staff. There are new  
jobs and new opportunities available with each  
new banking development.

*Think about it.*

*Be a part of it.*

# REWARD YOURSELF BUILD A CAREER IN CONSTRUCTION

Building a career is like building a house. It takes lots of careful planning, motivation, and hard work in order to do the very best.

Our employees come to us looking not just for a job but a longterm career. They have the dedication and motivation it takes to make a successful construction company with a sixty year record of excellence. As a result our customers can count on our construction, millwork, building supplies and equipment departments to maintain the very highest standards.

Opportunities in the construction industry include: carpentry and joinery, masonry, heavy equipment operation and servicing, construction supervision, estimating, engineering, and many others.

If you are interested in building a future for yourself in the construction industry give us a call.
